Open School Discussions Planned By GC Board

Approve Coverage Of Executive Meetings; Agenda To Be Followed

A policy of opening all discussions to the press was declared informally Tuesday night during a busy session of the Granite City school board. Stricter adherence to meeting agendas also is to be stressed.

The meeting brought praise for Treasurer Monroe Worthen and Administrative Assistant Victor Anderson in their handling of school finances, and criticism by Warthen of the attendance record of Secretary George Stidham.

Board members expressed their willingness to have news coverage of both regular and executive meetings, relying on state laws and the judgment of newsmen for proper handling of confidential matters, such as discussion of possible land purchases.

It was noted that press attendance at executive sessions had been tried experimentally in recent weeks and appeared to be working out satisfactorily. The public is not permitted to remain during the executive portion of the board meetings, which otherwise are open to the public.

Formal business cannot be transacted except in the open sessions. However, background discussions are an aid to understanding and interpreting board actions, it was noted. A Press-Record representative said the board is the only limitations it recognizes, since its basic responsibility is to the general public.

The topic was brought up by Stidham. No official action was taken on his motion to open all board deliberations to news media.

Agenda Preparation
President Ralph Erickson asked for the board's cooperation in submitting all requests for agenda topics to him by 10 a.m. on the day preceding the Thursday preceding board meetings.

At present, many items are brought up that do not appear on the agenda. Erickson said it is hoped to limit future meetings to the agenda, plus business of an emergency nature only.

The hope is to speed the meetings—usually frequently last night and to give board members more time to study topics on which they are asked to vote. Worthen said it will be helpful if board members have an opportunity to refresh their memory on the past policies and practices relating to a pending decision.

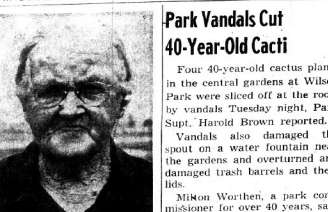

\$27,000 Interest Earned

During Tuesday's meeting, it was noted that the school district's financial outlook has improved, with a \$29,443 increase in income over the previous year. Taxes are invested during periods before they are needed.

Board Member Dan Lindor cited the sharp rise in earnings since Worthen became school

SWITCH TO DAYLIGHT SAVINGS TIME at 2 a.m. Sunday is demonstrated at the Tri-Cities Chamber of Commerce office by a secretary, Miss Gloria Bielecki. At 2 a.m. Sunday (or before retiring Saturday night) clocks are to be advanced one hour. The Quad-Cities and surrounding area will continue on daylight time until the last Sunday in October.

Park Vandals Cut 40-Year-Old Cacti

Four 40-year-old cactus plants in the central gardens at Wilson Park were sliced off at the roots by vandals Tuesday night, Park Supt. Harold Brown reported.

Vandals also damaged the spout on a water fountain in the gardens and overturned and damaged trash barrels and their lids.

Minon Worthen, a park commissioner for over 40 years, said the cacti were planted some 40 years ago and estimated their value at at least \$100 each.

The possibility of offering a cash reward to persons turning in vandals was discussed at last night's park board meeting. The matter is to be referred to the park district attorney.

Last spring vandals damaged a number of young trees in the park and yesterday afternoon a number of overhead lights were broken out in the men's restroom at the park.

The park district employs park policemen during the summer months, but none were on duty at the time of this week's acts of vandalism.

MRS. LOUISE HOMMERT, 91, a pioneer resident, who died Monday night of St. Elizabeth Hospital.

Mrs. Hommert, Pioneer Resident, Dies At 91

Mrs. Louise Hommert, 91, of Rural Route One, an early resident of the Granite City area, died at 9:40 p.m. Monday in St. Elizabeth Hospital where she was a patient 11 days. She was in ill health for about a year.

Death was due to age and complications.

Born in Baden, Germany, she lived in this area for 70 years. She was a member of St. John United Church of Christ and of the Afternoon Women's Guild.

Her husband, John C. Hommert, died in 1937.

Landolt Elected County Chairman

Defects Killinger Of Collinsville Twp. 30-18 As Briggs Bows Out

Harold Landolt, Alhambra township supervisor, was elected chairman of the Madison county board of supervisors yesterday at a reorganization meeting in Edwardsville.

He defeated Gilbert Killinger, Collinsville township supervisor, 30 to 18 in a secret ballot vote.

Landolt succeeds Gus Hoffer, Wood River township, who served as board chairman for 30 consecutive years, mostly without opposition, before he was defeated for re-election as assistant supervisor on April 2.

The new chairman overcame combined opposition from urban and industrial areas of the county which centered on Killinger, the newly elected chairman, who had claimed sufficient support to win on a first ballot.

Several other hopefuls bowed out, some at the last minute. Harry Briggs, Chautauq township supervisor, appeared, undecided before the start of the board meeting. Stephen E. Kennedy, Alton township supervisor, withdrew on Monday, and William Straube, Edwardsville township assistant supervisor, was still considered Tuesday.

Troesker Nominates
Landolt was nominated by Joseph Troesker, Chautauq township supervisor, who cited his 24 years of service and experience on the board. Killinger was nominated by Nelson Hagmann, Granite City township supervisor.

Upon stepping into the post, Landolt said "it has long been my ambition to be your chairman," and pledged to operate the board on a non-partisan basis, as has been in the past, and to be fair with all communities.

While presenting congratulations, Killinger called for all of the members to support the chairman, stating that he would not be chairman just for a faction, but for the full board.

As the board was unconvinced to competition for the chairmanship, State Atty. Dick Mudge explained three alternatives in conducting an election: by voice vote, a roll call vote on each candidate which would have to poll a majority, or by secret ballot, requiring a majority.

"Take A Walk"
Thomas Harris of Foster township, who served as temporary chairman, called for a "walk" to the polls.

Dog Rabies Clinic Saturday In Venice

A rabies inoculation clinic for dogs will be held from 4 to 5:30 p.m. Saturday in Venice at the new city garage along Klein street near the city hall.

The fee will be \$2, with the city paying the added \$500 charge for each dog inoculation will be administered by Leland Hall, veterinarian.

Similar clinics will be held in Madison on May 4 and 18 and in Venice on May 11.

NEW CHAIRMAN of the Madison county board of supervisors, Harold Landolt of Alhambra township, accepts congratulations of fellow board members upon his election to the post yesterday at Edwardsville. In the group are, left to right—Ray Halbe of Homel township, Joseph Troesker of Chautauq township, Joseph Harris of Collinsville township, and Thomas Harris of Foster township who served as temporary chairman of the board before the election was held.

Park Community Center To Get New Gymnasium Floor

A contract for the installation of a new floor at the community center gymnasium was awarded to Mid-West Floor Co., St. Louis, by Granite City park district commissioners last night.

Mid-West submitted the only bid of \$4770. The floor will consist of plywood underflooring and hard maple topping. The contractor is to seal the floor and mark it for basketball play.

The commissioners also voted to award a contract for the lighting of the northmost courts at Wilson Park to Dron Electric Co., provided a bid of about \$2800 submitted by the firm last year is still firm.

Earlier during its meeting last night, the board heard a request from Al Barnes, requesting the Granite City Tennis Club, that \$2500 earmarked for the resurfacing of the park courts be used instead to resurface courts at Granite City high school.

Barnes said the need for additional courts is great. The board agreed, but said the contract already had been let, that it has no jurisdiction over school district property and would be spending the money of one taxing body on the property of another.

New Commissioner Present
Newly-elected Commissioner Paul Schuler was present at the meeting and was sworn in by Secretary Frank Rees. Schuler defeated incumbent Earl Bloomquist in the April 2 election. The board will reorganize and elect officers at its regular meeting on May 22.

In other business last night the board:

Authorized the payment of bills totaling \$825 and salaries of \$4847 for the period March 25-April 24.

Voted to seek bids on 8000 descriptive summer recreation brochures and July 4th celebration booklets.

Called a special meeting for p.m. May 6 to discuss a proposed property purchase and wage requests for summer personnel.

Granted Daughters of Union Veterans Tent 70 an undertaking in the park for a flower bed in conjunction with the Civil War centennial observance, provided Tent 90 purchase the flowers and the park district be responsible for planting and maintenance of the bed.

Steel Quality Stressed In World Competition
Fighting increased competition from foreign steel producing mills in the U. S. are stressing higher quality, Madison Rotarans were told yesterday by Leonard Will, Laclede Steel Co. superintendent and a member of the club.

The emphasis on quality adds to costs, which already are a problem due to wages being more than triple those in such nations as Japan, he said. A color film, "Creation of New World," dealing with construction of a Japanese steel plant, was shown.

Book Due Dec. 1961 Returned To Library

A Granite Cityan took advantage of this week's observance of "Library Week" and saved nearly \$10 in overdue book fines. The book had been due for return in December 1961.

Librarian Mrs. Mary Gene Knutkie said the spring housecleaning season also resulted in the return by a woman of an "armload of books that were due nearly two months ago."

Fines amount to two cents a day, but are waived during "Library Week," which continues through Saturday.

Moerlien, McGee And Johnson; New Engineer Proposals To Be Sought

With action "rescinded" on a sewage treatment plant contract with Chester Engineers, Mayor Davis announced Monday night the appointment of a new committee to get new proposals for the plant's design.

Named to the new committee, whose members are to begin work immediately are two new aldermen, Charles W. Moerlien, chairman, a former mayor and alderman, and William McGee, a chemical engineer. The third member is Ford Johnson, who had opposed the action of the previous pollution study committee.

Mayor Davis read a prepared statement in which he urged the committee to consider former city attorney John Gilchrist to serve the city as special bond attorney, the firm of Nongard and Shovers handle the sale of the bonds and that the legal firm of Charles and Traugott be selected as bond counsel.

Engineering Firms Suggested
He suggested the committee in seeking engineering proposals consider Chester Engineers, Shepard Morgan & Schwaab and Sverdrup & Parcel along with the other firms that were interviewed.

The mayor said he had talked to the prospective committee members, all of whom were in the council meeting room Monday night, and they had agreed to serve. The appointments, he said, would be subject to confirmation at the May 6 meeting when new aldermen will be seated.

Rev. Barnett Will Be Superintendent Of New District

Rev. Verne T. Barnett, 33, of Necedah, Wis., will be superintendent of the new Methodist District Southern Illinois Conference.

Announcement of the six-year appointment was made today by Bishop Edwin Edgar Voigt of the Illinois area. Rev. Barnett's successor was designated in the Methodist annual conference in Mt. Vernon last month.

Rev. Barnett, who will move to Vandalia, has been pastor here since 1958. His new post will include 34 churches with over 15,000 members in Macomb, Montgomery, Fayette, Bond, Clinton, Marion and Jefferson counties.

He was executive secretary of the conference board of education before being assigned here. He has been pastor of churches at Godfrey and at White Sulphur Springs, N. Y.

Rev. Barnett was graduated from SIU and has a degree from Temple University. He was graduated from Drexel Technology Seminary, Madison, N. J., in 1951.

A native of near Metropolis, he is married to the former Beverly Ann Cochran of Metropolis. They have four children.

He is a member of the Rotary Club, is president of the Quad-City and Madison County Minors' association, and is a director of the YMCA and Wesley Foundations at the U. of I. and SIU.

Question Of Expense
Alderman Walter Nonn questioned if the firm could seek from the city any expenses which it might have incurred during the two-month period the contract was dangling.

Mayor Davis replied that if a bill was submitted, the city could either "pay it or fight it."

Armed Robbery Trial Continued To June Setting

Trials of James Edward Jackson, 18, formerly of Granite City, and Mrs. Jacqueline Rose Nicola, 22, of Granite City, have been continued to the next criminal setting of the circuit court. They are expected to go to trial the last two weeks of June.

Jackson appeared briefly in court Monday and his case was continued to yesterday. On Wednesday the public defender who was handling his defense was dismissed and a private attorney, Joe Cohn of East St. Louis, retained. The continuance to June was granted so his attorney could prepare a defense. Mrs. Nicola was granted a continuance because of the illness of her attorney.

The two are charged with the armed robbery of the Parkview Confectionery, 2701 Michigan avenue, Jan. 24. They allegedly robbed Mrs. Hazel Cline of \$278 and a \$43 check after threatening her with a shotgun.

Granite City police said Jackson used abusive language on them and was very uncooperative at the time of his arrest. Taken Forcibly From Cell Monday he had to be taken forcibly from his cell and escorted to court.

According to the sheriff's office he refused to put his shirt on and would not leave his cell when his court call came. He was forcibly handcuffed by two deputies and a jailer. Deputies said they had to hold him down on the floor to handcuff him.

Jackson's stepfather and mother, Mrs. Charles Lippcomb, who live in Carterville, Ill., visited him Sunday and took him clothing and cigarettes. They noted that he wanted to shave but did not have a razor and would not ask the jailer for one. Prisoners are allowed to have razors.

On being returned to his cell Monday after his brief appearance in court, Jackson again became troublesome and was subdued by deputies.

About three weeks ago Jackson made a dash for freedom and escaped from the county jail for about two and one-half hours. He was found hiding in some bushes a couple of blocks from the jail.

Deputies said Jackson always has been abusive and threatening in his language but that Monday he was "just worse than usual."

Mrs. Daisy Cherry, 65, Dies On Wednesday

Mrs. Verner (Daisy) Cherry, 65, of 2219 Missouri avenue, died about 6:15 a.m. Wednesday at St. Elizabeth Hospital where she was taken Tuesday morning after suffering a stroke at home. It was her third stroke.

Mrs. Cherry, a native of Mineral Point, Mo., lived in East St. Louis before moving to Granite City 48 years ago. Her husband operates a barber shop at their home.

She was a member of Niederrhein Memorial Methodist Church, Order of Eastern Star Chapter 650, Gabriel Shrine 78, White Shrine of Jerusalem and the Pythian Sisters.

In addition to her husband, Mrs. Cherry is survived by two daughters, Mrs. Wilfred (Laverne) Loveland of O'Fallon, Mo., and Mrs. Robert (Venita) Bergmire of East St. Louis; two sisters, Mrs. Eva Frazee of St. Louis and Mrs. James (Nina) Dickerson of Detroit, Mich.; two brothers, Leo Kidd of Clayton, Ga., and John Kidd of Savannah, Ga.; two grandchildren and five great-grandchildren. Arrangements are given in today's obituary column.

Legislation Topic Of State C. Of C. Session

A meeting of state C. of C. leaders, held in Springfield Tuesday to discuss legislative issues, was attended by A. E. Michel, Morris Helman, Paul Stout, Louis Paschoff and Harlan Dobby of the Tri-Cities Chamber of Commerce.

An outline of state fiscal matters, budget-making procedure and committee organization was given by Rep. John N. Erlennorn, Jack G. Ronchetti, secretary of the state C. of C. economic development committee, and J. Russell Hefflin, secretary of the public assistance and welfare committee, discussed legislation in their fields.

The meeting was one of a series being held during the current session of the General Assembly.

oned by Edmund Bartoski, a member.

It was approved unanimously. Only Alderman Casmer Skubish was absent.

The text of the mayor's statement to the council follows:

Expression By People

"Gentlemen: The recent election resulted in an overwhelming expression by the people of this city. Of necessity, therefore, many new faces will constitute the make-up of the new council. I wish to take this opportunity to thank you for what I know to be your best and conscientious efforts in the affairs of the city. Whether you won or lost, whether we agreed or disagreed, I'm certain each of you did what he thought was right and to the best interest of this city.

I think, however, it is proper that this council as now constituted put its house in order for the incoming members.

I believe that the question of selecting an engineer and the preliminary fee to be charged was the paramount issue in the recent election. I, therefore, urge this council to rescind its action in the selection of the Chester Engineers and recommend that a new committee be appointed to receive proposals from new engineers, and in this respect I suggest to the committee that proposals be received from Chester Engineers, Sheppard, Morgan & Schwaab and Sverdrup & Parcel, inasmuch as these three firms were most prominently mentioned.

In addition to the others that were submitted, that their proposal be for the preliminary study, design, construction and supervision of a sanitary sewer treatment plant and I would further suggest that the proposal include a plan including Granite City Steel Co., and one excluding Granite City Steel Co., so that a comparison could be made.

Inasmuch as we are required to submit some evidence of a treatment plant to the Illinois Sanitary Water Board by June 1, I would urge this committee to move promptly so that an engineer can be selected. I would further urge that as there will be a need for a special bond attorney on behalf of the city, that John Githett be selected for that position, that Norwood and Showers be selected for the sale of bonds and that Charles & Trauernicht be selected as bond counsel.

Change Of Position

"I realize that my request is a departure from my previous position and the position of the majority of this council, however, I do not feel that we can honestly do otherwise.

"I would, therefore, like to take the liberty of requesting the city attorney to prepare and have available for the next council meeting, resolutions in accordance with the foregoing.

"I should also like to advise the council that during the first meeting in May, I shall present a program for the ensuing year of issues and projects which I feel would be for the betterment of the city, and I hope that some will be in accordance with the new city council.

Mrs. Bertine questioned if the new committee would be bound by the mayor's recommendations.

Brief Debate

A brief exchange between the mayor and aldermen followed. The mayor at that time had not yet named the committee.

"We don't have a committee yet," the mayor told her. She suggested the state SWB be notified of the new committee and the council's action.

Mayor Davis said he planned to invite an official to Granite City to meet the members and go over the program.

When the mayor explained the committee was not bound by his suggestions, his letter was accepted by the council.

C. Of C. Managers Meet With State Officials

Managers of three Madison-St. Clair county Chambers of Commerce met Monday evening at Belleville with representatives of the Illinois Board of Economic Development to outline plans for a cooperative program to attract new industries to the two counties.

Representing the state board were Victor de Grazia, executive director; Gene Graves, director of the division of industrial and community development, and Frank Kirk, a regional director from Harris.

They pointed out the two-county area has great opportunities and many attractive features for new industries and expressed optimism for future development.

Chamber managers present were Harlan Dobry of the Tri-Cities, Clifford Peake of Belleville and Francis Kaar of Alton.

\$273,740 Bond Sales

Madison county residents purchased a total of \$273,740 in Series F and H United States savings bonds in March, according to Henry D. Karandjeff, Granite City, general county chairman of the savings bonds committee.

chairman, said he would "take a walk" if the board chose a voice vote.

A clue to the sentiment of the board was made after Harris and Claude Echols, assistant supervisor of Venice township, were nominated as temporary chairman and the nominations were closed. It was pointed out that Echols was ineligible as he had just been re-elected and had yet to be re-elected. A new motion to rescind the nominations was voted down 15 to 10.

Landolt, who is 63, is in the meat and grocery business and has a slaughter plant in addition to a small farm. His son, Robert, was on hand to congratulate him.

The board passed a resolution commending Haller, who was not in attendance, for his long service and leadership to the county which began in 1913, declared a state and national record.

New Members

New members seated on the board were Carl Roach, Granite City township assistant supervisor; Jerome K. Klier, Collinsville township assistant supervisor and a former member; Berry Harris, Roger Bearden and Pete Porter, a former member, all new Alton township assistant supervisors; Clyde D. Donham, Wood River township supervisor; and Howard Sparks and Robert Ford, Wood River township assistant supervisors.

Retiring members were John Graham of Granite City, who did not seek re-election because "old age is not me"; Louis Frey of Collinsville, who also did not seek re-election.

Fred Griebelach, Orville Oglesby and Halley of Wood River township; and William Stobbs, Glenn Westerhold and Alton May of Alton township.

May, who completed 16 years on the board, was named to serve as temporary chairman during the regular board meeting. His slogan had been "Elect May in April," he quipped, then indicated he hoped to be back on the board two years from now.

Rule Changes

The board adopted modifications to the rules. Members may now speak only three minutes on an item of business instead of 10 without permission from the chairman. The title of tuberculosis sanitarium directors was changed to trustees.

County burial costs were set at \$75 for babies, \$100 for children up to 12 years old and \$150 for adults. Rates at the county nursing home were set at \$150 a month or \$434 a day, after it was recommended that they be \$155 and \$5.

Charles W. Verner of Narnold township, chairman of the quinquennial home committee, noted that the rates were increased recently and requested that they remain the same.

The post-war planning committee, headed by Arthur "Coop" Moore, Venice township supervisor, was eliminated.

New committees will be named at the next meeting on May 15.

Local Representatives To Go To Springfield

Local representatives to the Illinois Area Council of YMCA's 14th session of "Youth & Government" will depart for Springfield Friday morning. They will return Saturday night.

Miss Donna Shands and Dan Smith of the YMCA staff will be in charge of the group.

The representatives are Barbara Kovachich, Vickie Mertz, Carol Wetzel, Janice Corey, Charles Landis, Clair Stoinhauer, Judy Matras, Linda Henley and Joette Speed. All are members of YMCA Tech clubs.

Miss Shands is Teenstown director. Smith is the new program director of the YMCA who takes over his duties officially Wednesday.

The girls will sponsor several bills in the legislature while taking part in the program.

Kiwanis Club Observes Law Day, U. S. A.

Attorney Merlin Hiseott was the special Monday at the Granite City Kiwanis Club, of which he is a member. His subject was "Law Day, U.S.A." He discussed legal procedures. About 20 persons attended the dinner meeting at the Elks Club restaurant.

John Graham of Gallop, N. M. was the guest of his brother, Roy Graham, before moving to New Mexico over five years ago. John Graham was secretary of the Granite City club.

Attends Religious Retreat

Army Pfc Charles G. Hankins, 21, son of Mr. and Mrs. Walter M. Hankins, 4140 Pontoon road, recently attended a five-day religious retreat at the Eighth U. S. Army Religious Retreat Center near Seoul, Korea.

Hankins, a radio telephone operator in Company B of the 7th Cavalry's 1st Battle Group, entered the Army in November 1961 and completed basic training at Fort Leonard Wood, Mo., arrived overseas in June 1962.

No Action On Fluoridation By GC Council Monday

Fluoridation of the city's water supply, if it is to be undertaken in Granite City, will be the task of the new city council after it is seated May 6.

No action was taken at Monday night's session as the council heard an explanation by City Atty. George E. Hoff Jr. that motions made at the April 15 session by Alderman Frank Vesel were improper and the mayor was not required to break the six-to-six vote to rescind the prior action in which a fluoridation ordinance was rejected.

"You can't make a positive action by rescinding action on an ordinance that failed to pass; there's nothing to rescind," he explained. The rescinding motion had been recommended by Alderman Walter Nomm after Vesel had first proposed to reconsider fluoridation.

The attorney added that a motion to reconsider was required at the same time the other action had been taken—the night the fluoridation ordinance was voted down. He did not reply to an inquiry made last week by Alderman Mrs. Gabrielle Bellone on the statutory regulations on voting by the mayor.

Fluoridation was approved by voters two years ago in a special advisory election, but then it was rejected by the council. The cities of Madison and Venice have approved it.

Plan Added Furnishings For GC Teacher Lounges

A call for bids on furniture for teacher lounges was approved Tuesday night by the Granite City school board, which hopes to have all such lounges meeting basic standards. Between \$200 and \$350 is expected to be available for the purchases.

There currently is a wide variance in the types of lounges and their furnishings.

It is planned to increase the number of each lounge so that it will include at least one magazine rack, two regular ashtrays, one sand-filled ashtray, a table, four to six straight chairs and a lounge chair for each 10 teachers in a school.

A list of needed items was drawn up after visits to each building by a special committee of administrators and principals. Plans call for the addition of 14 tables, 62 straight chairs, 21 lounge chairs, 42 ashtrays and 16 magazine racks.

More Coolidge Teachers

The school board decided to add a mathematics teacher and an industrial arts teacher to the Coolidge junior high school faculty next fall. This increases to 22—plus a half-day position—the faculty expansion authorized for 1963-64.

Supt. Harold M. Kaiser said the need for the two extra teachers became apparent with completion of class schedules.

Six were hired Tuesday night for 1963-64 teaching positions, including five elementary teachers and a Granite City high school girls' physical education instructor, Miss Peggy Ruth Wilson, Maywood, Ill., who is receiving a bachelor degree from Illinois State Normal University.

New grade school teachers, as yet unnamed, all receiving bachelor degrees this year, are: Miss Carol Kline, St. Louis, University of Missouri; Miss Carol Sue Lybarger, Madison, Southern Illinois University; Miss Judith Massey, Sorento, Ill., Greenville College; Mrs. Joyce Lynette Starick, 2083 Highway 67, Illinois Normal; and Miss Patricia Ann Warren, 3253 Edgewood avenue, Illinois Normal. Mrs. Starick has four years of prior teaching experience.

An authorization was given for Miss Barbara Kerch to attend

Wortman Case Pends Venue Motion Hearing

Charges of intimidation against Frank "Buster" Wortman, area racket boss, were stricken from the criminal setting of Madison County circuit court this week pending a hearing on a motion for a change of venue.

Judge Joseph J. Barr is to rule on the motion, but a date for the action has not been set.

Wortman is charged with threatening physical harm to the manager of the Collinsville office of the Illinois Bell Telephone Co. and with threatening to damage the firm's building over an alleged wire tap of his telephone.

In other court action this week:

Reckless homicide charges against Charles Louis Mueho, 29, of 2437 Adams street, were continued until the next term of criminal court in June. Mueho is charged in the traffic death of a young Granite City newsboy.

Donald Ray Robinson, 18, of Granite City, pleaded guilty to a reduced charge of petty theft after a burglary charge was nolle prossed by the state's attorney. Judge Barr took the case under advisement before passing sentence at 11 a.m. tomorrow.

Cases against Robert Forte, 21, of 3802 Kirkpatrick Homes, charged with armed robbery, Daniel Agony, 43, of 6 Jones Park, charged with criminal damage to property, Harold Lloyd Corbett, 27, of 1513 Second street, Madison, burglary and armed robbery, were continued.

Need To School Election Judges In GC Stressed

The need for schooling city election judges was stressed during Monday night's Granite City council session when it was brought out a recount of April 2 ballots showed the judges failed to initial absentee ballots.

The same oversight was noted in the Seventh Ward recount two weeks ago, and Alderman Ford Johnson reported it occurred again in last Saturday's recount of the Third Ward.

"In a close election, such as there was in the Seventh Ward, it could make a difference in the outcome," Johnson pointed out.

While there was no discussion at Monday night's meeting, there have been debates in recent council sessions concerning the need for an election board for the city and a requirement for registration of city voters.

Another candidate who lost in the Second Ward had erroneously voted in the Third Ward, and that an address given by one voter was an open industrial area.

The council also has discussed but taken no action in revising ward boundaries to reduce the size of the Sixth Ward which has eight precincts, compared to two, three and four precincts in the other wards.

Council members have declined action on splitting or revising the ward setup on the belief the city might be forced to return to seven wards.

Nonn-Blevins Recount Reset For May 4th

The recount of Fifth Ward ballots in the April 2 city election has been postponed to May 4 since Atty. John Gilchoff will be out-of-town this weekend.

The date change was approved Monday night by the city council.

The recount, requested by defeated aldermanic candidate Curtis Blevins, had been set for this Saturday. The winner by a 142-vote margin was senior Walter Nomm. Blevins is being represented by Atty. Richard Allen.

He is seeking the recount because of confusion at the ward's two polling places over the party ticket under which Nomm was running. Most other city candidates filed as independent candidates.

The vote canvass gave Nomm a total of 265 votes to 633 for Blevins. By precincts, Nomm received 632 votes in the West Grant precinct to 387 for Blevins; while in the Lincoln Place precinct the totals were 263 for Nomm and 266 for Blevins.

Driver Is Charged Following Accident

Hugh McDonald, 37, of Cahoon, was charged with failing to yield right-of-way Wednesday morning after the pickup truck he was driving was involved in an accident with a station wagon driven by Mrs. Helen Hutchings, 42, of 2522 Cleveland blvd.

Police said he was driving west on 26th street and Mrs. Hutchings was traveling north on Cleveland blvd.

Local Chapter Gets Nationwide 'Plug'

A salute to National Secretaries Week, which appeared in a nationwide comic strip, "Lolly," can be credited to the Tri-Cities Chapter of the National Secretaries Association.

Mrs. Charles Yuvonic wrote to the comic strip creator, Pete Hansen, with the suggestion in January, since the artist's work at least six weeks in advance.

"Lolly," a secretary commented in funny papers this week that the nicest thing a boss could do to make Secretaries' Day (Wednesday) a pleasant day would be to let them stay home.

The Chamber of Commerce contacted the churches and discovered they will not be taking part in any such program.

Information about the publication is vague and in "double-talk," it was reported.

Phone Solicitation For Ads Unknown To Church

The Tri-Cities Chamber of Commerce today cautioned merchants and business people that the local Catholic churches know nothing of a publication for which ads are being solicited by telephone.

The solicitation supposedly is being done in the name of the "Reurrectionist Fathers" with the promise that the publication will go to all Catholic families in the area through their churches.

The Chamber of Commerce contacted the churches and discovered they will not be taking part in any such program.

Information about the publication is vague and in "double-talk," it was reported.

Shower Honors Mrs. Bollinger

Mrs. Gilbert Bollinger was guest of honor Tuesday evening at a blessed event shower given by Mrs. Yock Lombardi at the home of her daughter, Mrs. Floyd Price, 25 Devon lane.

Attending were Mesdames Jerry Dusek, Mary Kestian, Joan Frabin, Betty Scherz, Carolyn Barker, Grover Norwood, Don Hayes, The I'm a Berry, Ann Bado, Floyd Price, the hostess and the honoree.

The center piece on the gift table was a musical stork and a pink and blue color scheme was used. Refreshments were served and there were games for entertainment.

Founder's Day Dinner Planned

A Founder's Day dinner Tuesday, April 30, at Augustine's in Belleville was planned by Phi Beta Tau Chapter of Beta Sigma Phi sorority in the home of Miss Hazel Towery, 1705 Spring avenue, last night.

There was also a discussion of arrangements for a Hawaiian luau rush party May 13.

Refreshments were served to Janet Boggsman, Mary Ann Harris, Dianne Sellers, Diane Norwood, Mary Alice Christian, Ellen Winters, Linda Todd, Ruth Justice and Judy Rollins.

Miss Janet King Is Honoree

Miss Janet King, who will be married June 1 to Roland Jacquot, was guest of honor at a surprise 21st birthday party and bridal shower given Tuesday evening at the home of her parents, Mr. and Mrs. Lester Martin of Twenty-seventh Place.

Love birds and wedding bells were used in the decorative scheme and the gift table was centered with a large blue umbrella. Spring flowers also were used about the room.

Hostesses were Mrs. Gale McFarland, a sister of the bride-to-be, and Mrs. Lois King, a sister-in-law.

Games provided entertainment and awards were made to the winners. Approximately 30 guests attended from the Quindici, Moro, Belleville, East St. Louis and St. Louis.

The wedding of Miss King and Mr. Jacquot will take place at St. Joseph Catholic Church.

PARTY FOR ACE

Miss Bailey, Raymond Bono Exchange Vows

The Church of Christ, 2130 Clark avenue, was the scene of the wedding ceremony Tuesday evening of Miss Sandra Kay Bailey, a daughter of Mr. and Mrs. Harold Bailey, 169 River drive, and Raymond Bono, a son of Mr. and Mrs. Willard Bono, 2407 Missouri avenue.

The Rev. Christian A. Lyle, officiated at the 8 o'clock service before the altar decorated with bouquets of white spring flowers and greenery and lighted with burning candles.

The bride's father gave her in marriage. Her wedding dress was made of white chiffon and lace. It was decorated with a high scoop neckline and long tapered sleeves of lace with a full skirt of chiffon, accented at the waist with a satin bow. A bouffant veil of French illusion was held in place with a small crown of pearls and crystals, and the bride carried a spray of white orchids.

The matron of honor, Mrs. Kay Gaskill, was dressed in a long, length gown of mint green chiffon and lace with white accessories. She carried a spray of white and green and white carnations.

For her daughter's wedding, Mrs. Bailey wore a beige tulle cascade sheath dress with mint green accessories. The bridegroom's mother was in navy blue with matching accessories. Both mothers had white carnation corsages.

Ray Gaskill was best man for Mr. Bono.

The wedding reception was held in the church luncheon room immediately following the ceremony. Mrs. June Evanson, Mrs. Sue Champion and Mrs. Barbara Hagen, aunts of the bride, assisted at the reception.

The newlyweds will reside at 2540 Washington avenue.

The former Miss Bailey is employed at the Stockyards Bank, East St. Louis. Mr. Bono is employed as a patternmaker at the General Steel Industries.

Pin Ceremony For Sorority

Epsilon Alpha Chapter of Epsilon Sigma Alpha sorority held a pledge pin ceremony last night at the Carriage House in Belleville.

Mrs. Joyce Albers, southern district coordinator, conducted the ceremony, assisted by Mrs. Roberta Arbeiter, vice-president of the chapter. The pledges were Miss Glenda Moore, Miss Mary Ann Shanta, Mrs. Carlene Camp and Mrs. Joann Borowitz.

Refreshments were planned by Mrs. Judy Hinterser and prizes were won by Miss Virginia Judd, Mrs. Albers, Mrs. Joyce Willmore and Mrs. Camp. Sixteen attended the meeting, including a guest, Mrs. Judy Lybarger.

Women Of Moose Enroll 3 Members

Three new members were enrolled last night at a meeting of the Women of the Moose, Chapter 347, Tuesday. They were Mrs. Elizabeth Novack, Mrs. Pauline Briggs and Mrs. Martha Strain.

The chapter was in charge and plans were made for a trip by bus to a "friendship" session at a Danville chapter May 5.

Refreshments were served to 31 members, and prizes were won by Mrs. Mary Margie and Mrs. Goldie Coleman.

**AMVETS AUXILIARY 51
PLANS SUPPER**

Amvets Post 51 Auxiliary met last night at the Post home with nine members present.

Plans were made for a pot luck supper for the members and their families May 5 at 3 p.m., and Mrs. Dorothy McElroy reported classes tonight for a new child. Also announced was the next district meeting to be held here June 17, and a cleanup day May 15.

Officers are to be nominated at the May 8 meeting and the election will take place May 22. The Auxiliary contributed \$10 to the national headquarters in Chicago.

The "white elephant" was won by Kimmie Richardson and refreshments were served to the Auxiliary and the Post.

Secretaries Honor Mrs. Davison

More than 100 secretaries and secretarial students from the Madison, Granite City and Venice high schools, the Secretary of the Year award was presented to Mrs. Eileen Davison at the second annual secretaries tea held last night in connection with Secretaries Week.

The affair was in the "300 Room" of the Big Top Bowl and the surprise announcement and presentation was made by Mrs. Charles Vunovic, 1962 "secretary of the year."

The tea opened with a welcome by Mrs. Doris Robinson, chairman of the week's activities and a talk by Mrs. Betty May, chapter president.

Anthony Trele, personnel director of A. O. Smith Corp., was the speaker for the evening. His topic was "Better Secretaries Mean Better Business."

A Fashion Show was a surprise of the evening as the modeling took place in potato sacks, sheets, boxes and other attire instead of the conventional clothing usually modeled. Commentator for the show was Miss Jeanette Triant.

As one of the final highlights, the L.A.C.E. (Ladies Auxiliary Chapter) was presented to Mrs. Mary Sedokum. The award was based on the popular vote of the members, who gave their votes to the one whom they considered as the best liked, most active in all chapter projects, most cooperative and most enthusiastic about N. S. A.

New officers are to be elected at the May 2 meeting of the chapter.

**CPW CIRCLE SIX
MEETS WITH MRS. HUSH**

Circle Six of the United Presbyterian Women's Association of First United Presbyterian Church met last night in the home of Mrs. Lucille Bush, 2244 State street.

Mrs. Florence Woodward, chairman, presided and gave the Bible study. Mrs. Robert Browning had the Year Book of Prayer.

Others attending were Mrs. David Maxton, a guest, and Mesdames Cleo Evans, Nina Borchert, Betty Schmedake and Miss Ellen Follmer.

Birthday Party For Douglas Rains

Mr. and Mrs. Lloyd A. Rains, 910 Twenty-fourth street, entertained guests at a party in their home last night in honor of the fifth birthday of their son, Douglas.

Present were Mark and Wade Hannah, Patrick Bryarly, Craig Foster, Phillip and Timothy Gruber, Joey and Julia Adams, cousins of the honoree, his brothers, Mark and Michael Rains, Mrs. Dorothy Adams and Judy Adams.

There was a circus cake and favors for each of the children. Refreshments were served by Mrs. Rains.

Dow Diamonds Outline Plans

The Dow Diamonds, women's organization of Dow Metal Products Co., held a monthly meeting last night at Rusty's Restaurant in Edwardsville.

Rainee Rodgers presided over the meeting attended by 20 members. Plans were outlined for the year and reports were given by the ways and means, charity and program chairmen.

Donna Sturdivant, Sue Sanasarian and Mary Lou Ohlendorf, 1951 Mary Pashoff and Betty Jo Smalley were named historian and publicity chairmen, and future plans were discussed, including the annual rummage sale in the early fall and a candy sale in November.

Hostesses were Rainee Rodgers, Nora Halvachs, Lu Cel Clark and Marianne Stone. A trip to a TV show will take the place of the next regular meeting.

Items Stripped From Auto Found At Dump

Police recovered a quantity of stolen auto parts Tuesday afternoon from a scrap heap at the Granite City Steel Co., August street and Edwardsville road, where it had been abandoned. The lot consisted of four hubcaps, a steering wheel, horn, two bucket seats, sunvisors, arm rest, floor mats and an ash tray. It was identified by Charles Dreyer, 2445 East 24th street, as property stolen from his 1962 model convertible coupe the night of March 23. His auto was taken from his garage and stripped. Thieves also smashed the windows. It was recovered near the Chain of Rocks bridge the next day by sheriff's deputies. The air conditioner, battery, wheels and curbside are still missing.

treasurer last summer and described his service as "outstanding."

Worthen replied that much of the credit should go to Anderson, who is responsible to Dr. Kasper for handling of the district's financial and business matters. "He has had a more or less free hand to manage it as he sees fit, as long as he informs me what he is doing," Worthen commented.

Opposes Secretary Salary

Earlier in the meeting, Worthen voted "no" and Board Member Ron Dillard abstained as the board approved payment of a salary to the secretary.

Worthen said he did not wish to justify his re-election record to the school board. He said he was referring to Stidham's attendance. The secretary missed six of 24 meetings entirely and left some of the other meetings before they had ended, Worthen said.

The treasurer said it is important that a board secretary be present most or all of the time, and said Stidham's record did not justify his re-election last week, when he was named to a second one-year secretary term.

Worthen cited Howard Kasper, Robert Edmonds and George Eubanks as examples of previous secretaries with better records.

Linder described the objection as "fringed and buckled, foam-cushioned sandals that respond so beautifully to fashion's many moods and many casual occasions."

Stidham suggested that a new secretarial procedure be set up for 1963-64, and Worthen said this possibly could take the form of \$10 for attending each of the 24 regular meetings.

The secretary noted that he performs other duties, including trip to the board office to approve meeting notes assembled by the secretarial assistant who attends the board meetings.

The secretary said he had offered to share his pay with the non-salaried treasurer but found that state law bans any pay to a board member serving as school treasurer.

Teenage Problems Discussed By PTA

Teenage problems were the topic of a regular meeting of the Granite City PTA Monday evening, Mrs. Lois Haynes, president, was in charge of the meeting.

The opening flag ceremony was presented by Eric Vincent and Craig Wiehert, Joseph Marzolf, John McGrath, Charles Murphy and Paul Biazon of Boy Scout Troop 18. They led the members in the pledge of allegiance and Lewis Sabin gave the PTA prayer.

Mrs. Dorothy Hamilton read a letter from the Area PTA Council reminding the members of an art exhibit April 29.

The members agreed to donate a sum of money to the state PTA building fund, and Sabin will present this at the PTA convention in Chicago.

Mrs. Elsie Rodell announced that Mrs. Eula Brazier, state secretary will be installing officers for new officers of the Granite City PTA at the May meeting.

Mrs. Rodell introduced Dr. Cameron Meredith, head of education department of Southern Illinois University. He spoke on teenagers and held a roundtable discussion. Summarizing his talk he said parents should find time to have fun with their children, and learn by experiment. If parents show they trust their children, the children will in turn trust their parents, he added.

Refreshments were served in the school cafeteria by Wanda and Dorothy Sabin. The next board meeting will be held May 21 at the school.

Business Women Will Dedicate Plaque Sunday

A bronze plaque on a concrete base is being installed this week on the city hall lawn adjacent to a tulip tree that was planted in September 1931 by the Quad-Cities Business and Professional Women in memory of their deceased members. Brief dedication ceremonies are planned for 12:30 p.m. Sunday.

The plaque will have the same purpose as the tree. Participants in the ceremony will include Mrs. Pearl Ryckman, president of the group when the tree was planted.

THIS TRIANGLE REPRESENTS FEMALE LOGIC IN BRA DESIGN

This triangle is the *logical* (a woman's kind of logic) basis of a new Formfit bra design called Fiesta. The idea is this:

For freedom and comfort, A BRA SHOULD MOVE WHERE THE BODY MOVES; for shaping and lift, A BRA SHOULD NOT MOVE WHERE THE BODY DOESN'T MOVE.

Formfit Fiesta has Lycra® elastic sections everywhere you move. They move in the same direction you move. The underarm elastic triangle moves slantwise because you move "on the bias" whenever you stretch or reach or bend.

It has firm sections where you don't move. They hold the shape where a girl should be shaped. Lift, hold a high, gently rounded line.

Style 548. Lycra® elastic with cotton broadcloth—A32 to C44.

Mercer Looks For 2nd Win In Home Debut With Moose; Hearts Try Again At Altwood

Last Sunday's biggest winners, St. Clair Heating and the Collinsville Trojans, collected a 13-4 win in St. Louis this weekend in the headline on a five-game Southwestern Illinois Inter-City Baseball League card.

St. Clair established a league record here last week in a 38-9 rout of Sacred Heart and the Boosters found Altwood Merchants pitching to their liking for a 17-9 win.

And, as the schedule would have it, the Hearts and Altwood will be trying to recoup against one another in a Sunday game at the Roxana high school field.

Two winners on the road last Sunday, Mercer Funeral Home of Granite City and Carpenter, try to make it two in a row in familiar parks this Sunday.

Trojans Eye Second After 14-4 Defeat At Roxana

Still hoping to salvage second place in the Midwestern Conference baseball standings, Madison high school puts its 4-2 MVC record up against Bethalto this afternoon at the Eagle diamond.

The Trojans were crushed at Roxana, 14-4, when faulty fielding led to seven unearned Shell runs in the first five innings and Roxana batters supplemented five MHS errors with a solid 13-hit attack which produced five runs in the sixth and led to the calling of the game under the 10-run lead rule.

Madison couldn't get started against winning pitcher Ken King until two were out in the sixth. By then it was too late, although Nick Podoba picked out a King pitch with two teammates on base and drove it into right-center for his first homer of the spring.

Podoba's homer, two singles and John Onyek's double were the only hits King allowed as he got his first career 16-8 loss in Madison. And the Shells backed him up with errorless baseball effort.

Mike Dillon, who has figured in each of Madison's six conference games, was the losing hurler. He left the game at the end of five with Madison trailing 9-1. John Okal and Gary Burns worked the sixth for MHS, but the side had not been retired when Roxana scored its fifth run of the frame and the contest was halted.

Dillon is scheduled to start again today, and most likely will face Tom Erzen, who shut out Madison 5-0 on April 8.

Coolidge Tennis Squad Is Shut Out By Roxana

The Coolidge junior high school tennis team was blanked for the second time in two outings Tuesday as visiting Roxana freshmen shut out the Braves 5-0 on the CCIS tennis courts. Coolidge is at home to Edwardsville, a 3-2 winner over Roxana, Friday at 4 p.m. Tuesday's match results:

No. 1 singles—Terry Deitzel (R) defeated Richard Meyer, 6-2, 4-6, 6-4; No. 2 singles—Bruce Tinsley (R) defeated Jim Holland, 6-3, 6-1; No. 3 singles—Bo Lakin (R) defeated Larry Jackson, 6-2, 6-1.

No. 1 doubles—Fred Hubbard and Terry Lockett (R) defeated Louis Mehl and Phil Ross, 6-2, 6-1; No. 2 doubles—Tony Nesbitt and Dale Bevin (R) defeated Bill Harris and Bob Eberhart, 6-3, 6-4.

New Uniforms Arrive For YMCA Judo Class

The bulk of a shipment of new judo uniforms was received Tuesday for the use of the YMCA children's judo classes. Purchase of the new uniforms, all of which are imported from Japan, was made possible by several local organizations that co-sponsored the judo division of the recent invitational judo tournament.

The co-sponsors were the Women of the Moose, the Daybreak Optimist Club, the Granite City Kiwanis Club, the Granite City Junior Service Club and the Madison Junior Service Club.

The uniforms were purchased through a New York importer. Purchase of the new outfits became necessary when the judo classes grew to such proportions that there were not enough uniforms to accommodate them. Many children had to wear adult uniforms for lack of proper sizes.

Others were wearing badly worn outfits that were long overdue for discard since they were beyond repair.

Eleven judo classes are taught to youngsters at the YMCA each week. Approximately 85 boys and girls from eight to 17 take part.

Mascoutah Wins Roxana Relays: MHS' Cooper First In Broad Jump

Walt Cooper of Madison missed tying the meet record in the broad jump by one-half inch Tuesday afternoon at the Roxana relays, but the Trojans failed to pick up a single point in other events and finished in a 10th-place tie among the 12 schools entered.

Cooper jumped 21-0 1/2 in the broad jump for a first-place finish and five points. Mascoutah edged Roxana for the team title, the Indians totaling 78 points and Roxana 67 for second place. Following in order were Western Military Academy with 48, Jerseyville 39, O'Fallon 25, Highland 19, Dupu 12, Triad 8, Gillespie 7, Madison and Bethalto 5 each and Livingston 2.

Only record broken in the seven relays and seven special events run was in the distance medley, where Mascoutah turned in a time of 8:13.2, 2.9 seconds faster than the old mark set by Roxana.

YMCA Health Club Makes Summer Plans

The YMCA Health Club has announced its program of summer activities for men in preparation for the warm weather. Membership entitles a person to all the usual YMCA attractions in addition to the special Health Club features.

Manning the health club is P. Lewis, a registered masseur from Hot Springs, Ark. His services include massages, alcohol rubs and whirlpool baths.

The Health Club area also includes an air-conditioned television lounge, ultra violet and infra red lamps, a hot room and body building and exercise room. The club has its own shower facilities and connects directly with the swimming pool. Towels, soap and lotions are provided.

Other activities include volleyball, badminton, basketball, judo, scuba diving, fencing, karate and swimming.

A private locker area is provided in the Health Club. Annual membership costs \$60 or \$75. The latter price includes a book of 10 massage tickets. Massages otherwise cost \$2 each for members and \$3 each for non-members.

The Health Club is open all day six days a week (closed Sunday) and every weekday evening. The massage service is available on an unscheduled basis or by appointment.

Larry Ferguson Among 81 Iowa Students To Be Honored Tonight

Larry Ferguson, University of Iowa halfback who gained All-American recognition with the Hawkeyes during his junior year, is one of 81 Iowa students who will be honored tonight at the 46th annual Pinkie dinner on the Iowa City campus.

A senior whose parents reside at 217 Second street, Madison, Ferguson joins a group of IU students selected by deans and department heads as "most likely to succeed" in their professions. They will join with some 100 other students who have attended previous dinners and another 100 alumni, faculty and Iowa staff members.

Iowa President Virgil M. Hancher will deliver the main address at the dinner, which Kelso, associate professor of political science, will be master of ceremonies.

Hiles Shatters Own Discus Record Again, But Bengals Slip Past Warriors. 60-58

Setting records with the weights is getting to be a habit with Granite City's shot put-discus specialist, Joe Hiles.

The well-put-together junior reached 158-10 1/2 with the discus here Tuesday, despite a curdling crosswind, to eclipse his own school mark set earlier this year.

Hiles won the shot put, and gained a double measure of friendly revenge over Edwardsville's Bob Hopkins, who had bettered Joe in both events last week at the Alton relays.

While Hiles was winning the battle, Granite City was losing the war, however. Edwardsville ripped the Warriors in six events 60-58 when a crippled GCIS mile relay team was out-run in the day's final track event.

Two regular members of the Warrior foursome—Eric Robertson did not run at all because of an upset stomach and Ken Foster hobbled his leg with a bad blister. Edwardsville won the relay by 20 yards—and the meet by two points.

Sweep Distance Events
One other happy note for GCIS Coach Ross Rosenbush was Granite City's showing in distance events. Larry Nollin, Ray Snelson and Ferro (blister) and all swept the 880-yard run and 1,600-yard run. Snelson, Rosenberg and Pat Kincaid duplicated that effort in the mile run.

Most times and distances were below average due to gusty winds.

The Warrior jayvees came out on the short end of a 66-50 score in junior division events spiced by an unusual first leg in the 880 relay.

Where's Hartman?
The relay went to Granite City—uncontested—when Edwardsville's John Hartman, scheduled to run the anchor leg, didn't make it to the exchange zone from the shot put event where he also was competing. The junior Tigers' third runner roared out of the stretch—and there was no one with which to exchange the baton.

Edwardsville's Wayne Henderson was a busy and prolific scorer in senior division events, taking firsts in the high hurdles, low hurdles, broad jump and high jump. The senior division results:

Park Baseball Umpires Needed; Meet Monday

A meeting of umpires who will call the balls and strikes this year in the Granite City park district boys' baseball leagues is set for 7:30 p.m. Monday at the park office. The league is in need of additional umpires to fill its quota of 35 to 40 to supervise the play of 35 teams. Don "Duke" Brumleve, chief umpire, will preside at Monday's meeting and plans several umpiring clinics before the season begins in May.

Redmen Defeat Alton, Belleville

Papp, Tayon Hurl Complete Games; Club Moves Up

It isn't always the long ball that wins baseball games. Pinch hitter Rich Lee's infield single, which traveled no more than 75 feet, got the job done here yesterday afternoon as Granite City's Warriors beat Belleville by a single run for the second time this year, 4-3.

Coupled with a 3-1 win at Alton Monday, where Charlie Papp came up with his third two-hit performance of the season, yesterday's squeaker at Wilson Park in the Southwestern Conference and into a virtual tie for second place with 4-1 Collinsville.

The Warriors stepped over East St. Louis, which was beaten by Alton yesterday, 5-2, marking the Redbirds' first win in six conference games.

Perry Tayon pitched no-hit baseball here yesterday until Ken Peterson struck a two-out single in the Belleville fifth. That hit was wasted, but Peterson figured in a three-run Marion seventh which tied the score after Granite City had opened up a three-run lead with single markers in the first, third and fifth.

The Warriors broke the tie in the first on Glen Hoffman's single, a hit batsman, a forenoon of Hoffman at third and a follow-up attempted pickoff at first by Belleville starter Bob Englebreton. The throw was bad, allowing Bob Karandeff to score all the way from second.

Karandeff singled with two out in the third, and Jim Cavay and Terry French followed with base hits to drive across the second run.

Tayon helped himself with a leadoff triple in the fifth, and Hoffman picked up an RBI with his second hit. The 3-0 lead looked large indeed—until the seventh.

Tayon walked the first batter, and then catcher Joe Hauptman threw high to second after fielding a swinging bunt. Up stepped Peterson again. He singled through the middle to drive in a run, and Belleville runners ended up at second and third with no

body out on the throw back to the infield.

Ed Culbertson followed with the last Maroon hit, but it was a big one, a double that drove in two runs and tied the score. Roger Bechtold was intentionally passed and then forced at second on Don Davison's brouder, Culbertson taking third.

Davis wandered off first as Belleville set up the intention at bat in an effort to get Culbertson across the plate before Davis was run down and tagged out. But Al Taylor quickly applied the tag and the Warriors were out of the inning.

With one out in the bottom of the seventh, Tayon singled past first and Hoffman coaxed a walk from Jay Westcott, the third Belleville pitcher. Karandeff singled sharply to left, the other runners easily holding at second and third.

Lee then copped the ball he'd thrown first and second. The batter—up Belleville infielder had no play anywhere with the Granite City runners breaking and Tayon scored across with the deciding run.

Westcott, who gave up three of the nine Warrior hits, was the lone Maroon to reach base. Winners against their last three SWC opponents, the Warriors broke the tie in the first on Glen Hoffman's single, a hit batsman, a forenoon of Hoffman at third and a follow-up attempted pickoff at first by Belleville starter Bob Englebreton. Belleville is the new kingpin in Southwestern Conference tennis circles.

The Warriors left little doubt in the minds of Granite City high school followers here yesterday when they swept a five-match card from the Warriors in straight sets.

The 5-0 win gave Belleville a sweep of four team matches with Granite City and Edwardsville, the two schools tied with 17-15 in the conference championship in 1962.

The Warriors and Edwardsville will begin a scrap for second place here today at 4 p.m. on the Wilson Park courts. The two schools will meet again Monday in Edwardsville.

Belleville's win here yesterday snapped a four-match winning streak by Coach Dick Harrison's players, who defeated Alton Monday, 4-1. The Warriors are 6-4 overall.

Prather Baseballers Nip Coolidge In 8th

Charles Collins' two-out single in the bottom of the eighth drove in the deciding run here yesterday as Prather edged Coolidge 2-1 in a baseball battle between the two Granite City Junior high schools at Wilson Park.

The teams each scored once in the second inning of a pitchers' duel between winner Jim Rains and loser Ricky Turpenoff. Rains gave up two hits and walked seven while striking out 12. Turpenoff allowed four hits, fanned 10 and walked eight.

Bill O'Neil singled in the only Coolidge marker and Greg Patton's single got the first Prather counter across in the Junior High conference game.

Highland Tops Madison 66-52 In Dual Meet

Highland athletes finished first in nine of 14 events in Highland yesterday to offset another fine individual performance by Madison's Walt Cooper, and won a dual track and field meet from the Trojans, 66-52.

Cooper registered first places in three events, the broad jump, 100 and 220-yard dashes.

The Madison senior has not been defeated this season in his specialty, the broad jump, although his winning jump of just over 20 feet yesterday was his poorest in competition this spring.

The Madison senior has not

Denny Moyer of the Bulldogs matched Cooper in points scored by winning the high jump, shot and half mile for the victorious Bulldogs. Highland's Ray Basmach captured both hurdle events. Madison's next outing will be in the county track meet next Tuesday at Alton.

Broyles Only Winner

Madison's matches in Roxana Monday started well for the Trojans, with Don Broyles winning the No. 1 singles contest in straight sets. But the Shells took everything which followed for a 4-1 team victory.

No. 1 singles — Don Broyles (M) defeated Sam Fleming, 6-3, 6-4; No. 2 singles — Steve Summers (R) defeated John Summers, 6-3, 6-3; No. 3 singles — Don Leamy (U) defeated Casimir Krakowicki, 6-0, 6-1.

No. 1 doubles — John Gebel and Larry Rhodes (R) defeated Ralph Rileout and Frank Lux, 6-3, 6-3; No. 2 doubles — Jim Eivens and Jim Graham (R) defeated Mike Moss and Frank Broyles, 6-1, 8-6.

Aikido Self-Defense Class Begins at Y

Regular weekly classes in aikido will begin Tuesday night at the YMCA. Thomas E. Crawford, 503 Kirkpatrick Homes, is the instructor.

Crawford is a serviceman stationed at Scott AFB. He began studying aikido in Kimpoo, Korea, 18 months ago.

Aikido is purely an art of self-defense and is not used aggressively. Generally, it is the art of bending, twisting and breaking the joints and striking at vital points.

Aikido will be taught from 7 to 8 p.m. every Tuesday, immediately preceding the Judo class.

Spring Weightlifting Meet At Alton YMCA

A spring weightlifting meet sanctioned by the AAU and open to all amateurs will be held at 1 p.m. Saturday, May 4, at the Alton YMCA. Interested persons may register here for the meet by contacting the local YMCA.

Lifters must have AAU or YMCA registration cards. The meet's outstanding lifter will receive a trophy, and medals will go to second and third-place winners.

Entry deadline at the Alton YMCA is May 1. The entry fee is \$1.50.

Bantam And Midget Playoffs Set In 'Y' Soccer Leagues

Playoff champions in two divisions of the YMCA soccer league will be decided this weekend in a series of games for Midget and Bantam teams, while Juvenile contenders will be seeking playoff berths in the final regular season contests in their league.

Midget playoffs pair Lincoln Place and the Twilight Optimists at 12:30 p.m. and GBU Insurance and Rozycski Realty at 1:30 at Coolidge Junior High school Saturday, with the winners playing for the playoffs title Sunday at 1:30.

Bantam playoffs Saturday find Lincoln Place against Leuders Agency at 11:30 a.m. and Gitchoff Realty against Brodwayers Agency at 12:30. Both games are at Wilson Park, which will be the scene of a Sunday afternoon playoff final between Saturday's survivors.

Regularly scheduled Juvenile division games Saturday pit Lincoln Place against Fairmont City Golf Course at 10 a.m.; 4th Granite City Trust & Savings Bank against Fairmont City Reds at 11:15. The games are at Coolidge.

Sewage Disposal Firm To Be Dissolved

A statement of intent to dissolve the Long Beach Sewage Disposal Co., Inc. has been filed with the secretary of state office at Springfield by Kent Realty Co., 1842 Delmar avenue.

The firm had been incorporated to build and operate a sewage disposal system for a new subdivision at Long Lake, known as Lakeview Estates. Opposition to the system resulted in the use of septic tanks, Jerry Kent said.

Mrs. Bergfield Is Re-Elected To Head Hospital Auxiliary

Mrs. Helen Bergfield has been re-elected president of St. Elizabeth Hospital Auxiliary.

She was named Monday evening, together with Mrs. Dorothy Partney first vice-president; Mrs. Esther Zimmer, second vice-president; Miss Betty Helja, corresponding secretary, re-elected; Mrs. Mary Opich, recording secretary; Miss Marie Zimmer, treasurer, and Mrs. Mabel Gaston and Miss Ronella Kinney, board members for three-year terms.

A new member, Miss Evelyn Fitch, was enrolled, and plans were made to install the officers at the next meeting.

The Auxiliary contributed \$500 for the purchase of an air shield

for the nursery and presented Mrs. Irene Argelan with a diamond for her past two years service as president of the North District, Illinois Hospital Association. The stone was a gift of Anthony Michel of the Michel Jewelry Co.

The business meeting was held in the new doctor's lounge and library, and at its close the group was taken on a conducted tour of the laboratory by Sister Mary George, who is in charge of that department, and given an insight and explanation of the equipment there, its uses, and also the work of the blood bank.

Approximately 30 members were present at the meeting.

UPW BOARD PLANS COMING EVENTS

An executive board meeting of the United Presbyterian Women of First United Presbyterian Church was held Tuesday evening in the church parlors.

Mrs. O. H. Grose, president, was in charge and after the opening prayer reports of the officers and committees were heard.

Special attention was called to the retreat for all women to be held at the church Tuesday, April 30, beginning at 9:30 a.m. with Mrs. John Lemon in charge.

The United Council of Church Women's luncheon will be held May 3 at 12:30 at the church and the all-church luncheon is scheduled for Tuesday May 7 at 12:30 when Mrs. Leven Gray of St. Louis, a former Missouri Synodical president, will be the speaker.

Reservations for the latter event are to be made at the church office by May 5.

The meeting closed with the benediction from Romans.

PADDLERS' MOTHERS

DISCUSS SWIM MEET

On Sunday afternoon at the YMCA, the Paddlers' swimming team Mothers' club held a meeting to bring to a close the winter season and make plans for the coming summer season.

Mrs. Donna Hogan, president, conducted the meeting and Mrs. Adele Zahm and Mrs. Ruth Malotki submitted reports.

The president announced that all the children are now members of the YMCA and are eligible for any of the other activities offered by the "Y". She also announced there will be a swim meet at the YMCA on May 3, to which all the parents are invited to attend. Teams participating will be Paddlers, The "Y" Swamp Angels and Town and Country of Collinsville.

The members agreed to hold their meetings during the summer at the Paddlers pool office. Mrs. Hogan announced she has AAU registration forms and the address of the office they should be sent, in the event any of the children want to enter AAU meets held in this area. There are a number of meets already scheduled, and she has a list of the dates and places they will take place.

The club discussed its awards banquet, to be held in August at the Paddlers pool office. Mrs. Doris Thompson suggested that the club investigate the cost and advisability of buying leather seats for the pool, to be used during swimming meets. Mrs. Thompson is to secure information on this and report at the next meeting.

The president said there will be diving instruction on Saturday mornings at the pool, starting June 1. This will be for stockholders' children only. Members present included Mrs. Madon, Joyce Miller, Betty Bickhaus and Doris Thompson.

SAND PRAIRIE

4-H DEMONSTRATIONS

A regular monthly meeting of the Sand Prairie 4-H club was held Tuesday evening in the home of the sponsor Mrs. Paul Staudaher, 2713 Washington avenue.

Marcia Barnett, vice-president, conducted the business meeting and the opening ceremony was given by Carol Smolar, who gave the 4-H pledge, and Pamela Thorne, who led the group in the pledge of allegiance.

Miss Barnett reported on a tour some of the members took at the Tri-City Grocery warehouse and bakery.

Carol Smolar gave a demon-

stration on "How to Make a Crawford, Carol Candler, Jean Smolar instructed the girls in the proper way to straighten material, Susan Lucido, chairman of the recreation period, held several games, Carol Ann Biggs won the prize for the evening.

Members who are to give demonstrations at the next meeting are Carol Candler, Marguerite Ward, Carol Flack and Renee Holland. Jean Smolar will lead recreation, and the hostesses will be Marguerite Ward and Renee Holland.

Mrs. Staudaher served refreshments. Among those present were Norma Thorne, Sharon Routland, Pamela Thorne, Sharon

with their son and daughter-in-law, Mr. and Mrs. Emile "Skip" Damotte of Beloit, Wis. Damotte's brother-in-law and sister, Mr. and Mrs. George E. Crocker of Edwardsville, accompanied them on the weekend trip.

3 C. Of C. Officers To Go To Washington

Three delegates from the Tri-Cities Chamber of Commerce will be among 4000 to attend the 31st annual meeting of the U. S. Chamber of Commerce to be held in Washington, D. C., Sunday through Wednesday. The theme will be "Freedom and Economic Growth through Voluntary Action."

Local delegates will be C. C. President Chester L. Baker, Vice-President M. Freeman Wolfe and Manager Harlan Dobry.

Speakers will include Treasury Secretary Douglas Dillon, Michigan Gov. George Romney and Congressmen, governmental officials, business leaders, economists and educators. At the closing dinner meeting, Arthur Dean, New York attorney, will speak. He headed the U. S. delegations in negotiations with Russia in 1961-62 on discontinuing nuclear weapons tests and disarmament.

Flower Pot Overturned

A large flower pot was overturned on the front porch of Alan Walker, 2138 Lynch avenue. It was reported Tuesday by police. Flowers in the pot were destroyed.

Museum Fund Drive Begins In Venice Twp.

Organizations, businesses and individuals in the Madison and Venice area are being contacted following a planning meeting held in Madison Tuesday evening for the \$34,000 drive to establish a full-scale Madison county historical museum.

Those conferring included Mrs. John E. Lee, Venice chairman; Louis B. Rolly, Madison chairman; Mrs. Stephen R. Stinson, Jr., Edwardsville, co-chairman of the Committee for a Madison County Historical Museum; and Lester Sale and Mrs. Austin Leavelle, Madison County Historical Society representatives.

Tax-deductible contributions of varying sizes are being sought, and all gifts of \$1000 or over will be listed on a fund-raising brochure to be mailed to donors.

About \$6000 already has been raised by the county sequen-

tial for restoration, redecoration and initial expenses. A \$24,000 sum is sought for purchase of the home and roof repair, tuckpointing, structural reinforcement, plastering and wiring. Another \$10,000 is to be raised for preliminary remodeling of rooms for museum equipment.

Baptist Ministers Wives' Group Meets

Medical, an organization formed of Baptist ministers' wives in the Madison area, met Tuesday morning in the home of Mrs. George Sagen, 15 Delmar avenue.

Five telephone district captains were appointed at the meeting. They were Mrs. Raymond Atwood, Mrs. Donna Dorn, Mrs. Ray Watson, Mrs. Richard Dillender, and Mrs. Sagen.

Lunch was served at noon, followed by games led by Mrs. Watson.

Ten Medical members were present, including Mrs. William Richardson, Mrs. Donna Covington, Mrs. Raymond Lewis, Mrs. Cliff Stanford, Mrs. Clifford Moeller, Mrs. Kenneth McDaniel and Mrs. Howard White.

The Medical society meets six times during the year on the fourth Tuesday of the month. The officers are Mrs. Stanford, president; Mrs. William Davis, vice-president; Mrs. Moeller, secretary-treasurer. The fellowship committee consists of Mrs. W. V. Snider, Mrs. Dillender, Mrs. Howard White and Mrs. Watson. The name of the group means "helpers."

The next meeting will be held May 28, the place to be decided on later by a committee of three members.

School Plaque Action Deferred; Purchase Tractor

High cost of "immortalizing" school hard members met with opposition Tuesday night from the Granite City school board, which withheld action on a \$1040 expenditure to install plaques listing school officials at new Namek and Mitchell grade school additions.

Plaques embedded permanently in school buildings are a common practice here and elsewhere and usually are included in the basic specifications, it was noted. Omitted inadvertently in this case, they required change orders, which proved to total \$290 at each of the two structures.

Board Member Ronald Dillard questioned the expenditure and Treasurer Monroe Worthen suggested some other approach.

Board Member Dan Linder said he does not oppose listing of the officials but added that there undoubtedly is a less expensive method. Further action is planned later.

\$141 Tractor

The board accepted a \$1411 bid from Seehing Farm Equipment Co., Granite City, on a Case tractor with loader bucket and weight box. Its breakaway force is estimated at 6200 pounds with 2000 pounds of lifting capacity.

Other tractor bids were \$3350 and \$3225 from Gieseler Farm Equipment Co., Edwardsville, on Allis Chalmers tractors; \$2450 from Schaefer Farm Equipment Co., Granite City, Oliver tractor; and \$2850 from Collinsville Equipment Co., International tractor.

It was noted that some of the bids did not meet specifications and some of the tractors offered were considered too light in weight. Board Members Linder and Ralph Baskie challenged the adequacy of the specifications in regard to force and lifting.

Two present school tractors will be retained. Motor repairs on one will be carried out by Seehing for \$64 plus parts at 20% of list price.

The board decided to seek new bids on installation of an oil burning system at Central Junior high school. A single bid received Tuesday night is to be required. An earlier group of five bids on the project was rejected when the low bidder repudiated his bid and asked to withdraw his bid.

Bids were opened on bookshelves and cafeteria equipment and were referred to the administrative staff for analysis.

Buy Three Calculators

Three rotary calculators were purchased from Marchant Division of Smith-Corona, St. Louis, on its low bid of \$1550. The calculators were given for three trade-in machines—an eight-year-old calculator, a adding machine and an adding machine.

The 1963-64 GCHS yearbook contract was awarded to Walworth Publishing Co. on its low bid of \$3673.

Permission was granted to the park district to install a sewer connection for ball diamond restrooms along 20 feet of school property at an unused corner of the Niedringhaus grade school site.

Prather Timetable

A timetable set up for improvement of the Prather junior high grounds lists grading, topsoil and seeding of the football field and track area; grading and clay, this month; baseball field grading and benches and a concrete shotput land; May; football field water line, sprinkler and scoreboard power line, July; and concrete curb around inside of the track and grading of northern areas of the grounds, August.

Bills approved amounted to \$1138 in the educational fund and \$1953 in the building fund, including contractual payments to G. H. Stevenson and Co. of \$892 on the Namek school addition and a \$321 on the Mitchell addition.

Payments made Tuesday on Coolidge junior high additions were \$3395 to Dron Electric Co. and \$3125 to Reiser Plumbing and Heating Co.

County Share Of Sales Tax Tops Half Million

Sales tax revenue returned to the Madison county treasury by the Illinois Department of Revenue on sales in unincorporated areas has just topped the half-million mark.

The \$13,032 listed for January boosts the total since the half-cent tax went into effect Oct. 1, 1959, to \$303,483. This includes \$28,358 in the last quarter of 1959, \$146,613 in 1960, \$148,071 in 1961 and \$168,187 in 1962.

Receipts for January 1963 are the largest yet for the first month of a year. Previous January figures were \$11,001 in 1962, \$10,256 in 1961 and \$8893 in 1960.

Coronation At Dunbar

"Miss Madison of 1962" will be crowned at the seventh annual Dunbar PTA pageant at 8 p.m. Friday in the school auditorium, where entertainment will be presented. A reception and dance will follow at the West Madison recreation center. Candidates are four Madison high school students: Katherine Griggs, Sandra Williams, Mary Hodges and Ruby Jones.

Magistrates Permitted To Finish Their Terms

Police magistrates whose terms expire in 1963, such as those in the Quad-Cities, are authorized to serve out their terms, Attorney General William G. Clark has held in a ruling announced this week.

The magistrates' duties after Jan. 1, 1964, will be governed by statutes and the rules of the Supreme Court. The state's new judicial system will go into effect on that date.

Township supervisors elected April 2, including the Nameoki township supervisors, could receive the salary increase voted by the present legislature if there was Board of Supervisors action prior to April 22, another legal decision said.

Clark also has ruled that: A legally bankrupt person is not released from a debt for the maintenance of his wife or child in a state hospital.

Judges of election in new and altered precincts are to be selected on the basis of the vote for governor in the entire township.

No correction can be made in an erroneous assessment when the tax collector's books have been returned to the county clerk by the Board of Review with the necessary affidavits attached thereto. To cure such a defect, it would be necessary for the taxpayer to pay his taxes under protest and file a tax objection.

Vandals Damage Chairs
Vandals poured orange soda pop on two white lounge chairs Monday at the Gem furniture store, 3200 Nameoki road. It was reported Monday to police.

Girl Scouts Extend Day Camp Deadline

The registration deadline for River Bluffs Girl Scout Council day camps is being extended to June 1, it was announced today by Mrs. John H. Marsh, president of the council.

The day camps are to be held at Camp Harrison near Collinsville, Camp Lakota near Glen Carbon, Camp Keck near Belleville and Jones Park and Grand Montain near St. Louis.

Camp folders announcing a May 10 registration have been sent to Girl Scouts. Details on bus schedules and transportation costs have yet been worked out, but will be announced later by Mrs. Robert J. Schaefer, administrator of day camps for the council.

Leaders also are to be kept informed of roadway conditions at Camp Lakota where new U.S. Interstate Highway 270 is under construction nearby.

In a few weeks we will be able to gauge more accurately if road conditions are up to our standards, Mrs. Schaefer said.

Radio Equipment Topic Of Madison CD Session
Radio equipment ordered for the Madison civil defense group was explained last night by William Greenewald, radio engineer, during a planning meeting for a storm disaster exercise to be held about June 1.

A permanent storm warning system in which Madison radio operators will participate is to be set up. The June drill will center about 12th street and Madison avenue, where overturned autos will dramatize the emergency and rescue activity.

Six Persons Hurt In Traffic Mishaps

Six persons were injured in five of 11 traffic crashes occurring this week in and near the city. Two motorists whose autos collided at 2 a.m. Wednesday at Four street and Madison avenue, are in good condition today at St. Elizabeth Hospital. Credith A. Mian, 33, of 4540 Highway 162 suffered a laceration to the top of the head and possible left thigh and knee injuries, while Gerald Carpenter, 18, of 211 Abbott street, Venice, sustained injuries to both knees. Two ambulances rushed them to the hospital. Police inspecting the scene said it appeared that the accident involved the left front of the Mian car, traveling east on Fourth street, and the right front of the southbound Carpenter auto. Both vehicles were towed away.

Gary Berutti, 21, of 1618 St. Clair avenue, East St. Louis, was admitted to St. Elizabeth Hospital Tuesday night after his car overturned at Highway 67 and West Pontoon road. He suffered a six-inch laceration across the left part of the scalp. He was listed in good condition today at the hospital.

Autos driven by Melvin Copeland, 21, of 4033 Melrose avenue, and Gus Hoedebeck, 63, of 2538 Pontoon road, were involved in an accident Monday afternoon on Nameoki road at Clark avenue. Police said Hoedebeck was driving south on Nameoki road and making a left turn onto Clark avenue. Copeland, who was driving north on Nameoki road, was treated at St. Elizabeth Hospital and released.

James L. Greene, 2854 Iowa street, was treated at St. Elizabeth Hospital and released this morning. He suffered a laceration to the forehead and left knee when he lost control of his auto traveling east about 6 a.m. and struck a utility pole on Route 162 near the blast furnace plant. Police said the driver was broken.

John F. Garmati, 47, of 58 Riviera drive, was slightly injured Tuesday morning in a two-car accident on Madison avenue at 21st street. Driver of the other auto involved was Arlene Gorrell, 39, of 2804 Sunset drive. Both autos were heading south. Police said Garmati, a fire captain, had stopped his auto for an emergency vehicle to pass.

Mayors Agree To Push Simon's New Plan Group

The Mayor of St. Louis, James L. Greene, 2854 Iowa street, was treated at St. Elizabeth Hospital and released this morning. He suffered a laceration to the forehead and left knee when he lost control of his auto traveling east about 6 a.m. and struck a utility pole on Route 162 near the blast furnace plant. Police said the driver was broken.

The bill, opposed by the mayors at their March meeting, is being sponsored by State Sen. Paul Simon (D-Tro), who heads the Southwest Illinois Study Commission.

Simon agreed to amend the bill to provide that as many members as possible from the study commission be named to the new agency, and that it include representatives of the Southwest Illinois and Tri-City Port Authorities and the East Side Levee and Sanitary District. Appointments by the governor would be cut from eight to four. Area Chambers of Commerce have decided against endorsing the bill as being unnecessary.

Bend Road News Mrs. Elsie Schuman, 53, Succumbs In Hospital

Bend Road News Mrs. Eileen Robinson TR. 7-3198

GUESTS FROM MISSOURI Mr. and Mrs. Jay Peeler were visited over the weekend by Mrs. Peeler's brother-in-law and sister, their children and grandchildren from Kansas City, Mo.

The Horseshoe Lake Rod and Gun club held a work party Wednesday. The group painted boats and fishing equipment. Those working were Ray Apple, Richard Slicka and Virgil Layton.

Mr. and Mrs. Don King and son, Donnie, and Mr. and Mrs. Larry Freese went to Park-Marquette State Park Sunday for an outing.

Mr. and Mrs. Joseph Robinson have as their house guest Mrs. Nellie Holthorn, Mrs. Robinson's mother.

Mrs. Elsie Schuman, 53, Succumbs In Hospital

Mrs. Elsie Schuman, 53, of Rural Route One, died at 7:15 a.m. Wednesday in Firmin Desloge Hospital, St. Louis. She was in the hospital four weeks and had been in ill health for a year.

She was born in Staunton and lived in the Granite City area 20 years. She was a member of the First Baptist Church. She is the sister-in-law of City Judge Fred P. Schuman. Survivors include her husband, Thomas P. Schuman; a son, Richard P. Schuman, St. Louis; a daughter, Mrs. Robert (Sylvia) Miller, Cahokia; three brothers, Albert Rabus, Staunton, Raymond Rabus of California and Herbert Rabus of Arkansas; sister, Mrs. Martin (Virginia) Wegan, Ellipton, Mo., and a grandchild.

An obituary notice appears elsewhere in this issue.

Bill Seeks Notice Of License Expiration

(Special from Springfield)
An amendment of the Illinois Motor Vehicles law to require the Secretary of State to notify possessors of drivers and chauffeurs licenses at least 30 days prior to expiration dates of their licenses and a 25-cent increase in the license fee for a three-year period was proposed this week in the Senate. A sponsor of the bill was Sen. Paul Simon.
Rep. Leland Kennedy introduced a bill to provide added revenue for Madison and St. Clair counties would call for 25% of the "breaks" in part-mutual betting at harness and flat racing tracks be paid as a tax to counties in which the tracks are located.
Rep. L. C. Harris was co-sponsor of a bill to amend the act in relation to water supply, drainage, sewage, pollution and flood

control to make it applicable to all counties instead of only to those contiguous to Cook county. Other bills introduced this week would provide for park districts to fix compensation of its members at not to exceed \$10 per meeting or \$250 a year; would require candidates for county highway superintendent to be professional engineers except in counties of less than 25,000; would provide for control of billboards and other outdoor advertising devices adjacent to the national system of interstate and defense highways by the state Public Works department. Another bill would authorize the creation of conservation areas by downstate county housing authorities.

Hubcaps Stolen

Two hubcaps were stolen Tuesday from an auto owned by James Meng, 2624 Madison avenue, police said. The auto was parked outside his home.

Press-Record Staff Photographer

CHECK FOR \$5000 is presented to Mayor Leonard Davis (seated) by C. E. Townsend, editor of the Press-Record and member of the Bi-State Development Agency. Others shown are, left to right, W. Ashley Gray, executive vice-president of General Steel Industries, Inc.; George W. Stearns, president of the former Community Coach Co., and James L. Hamilton, executive vice-president of Granite City Steel Co. The money, part of \$100,000 loaned by six municipalities to Bi-State for preliminary studies that led to acquisition of 15 metropolitan area transit firms April 1, was advanced to Granite City by the three firms and will be returned to them—\$2000 each to General Steel Industries and Granite City Steel Co., and \$1000 to Community Coach Co.

NAACP Board To Meet

The executive board of the Madison branch of the National Association for the Advancement

of Colored People will meet at 8 p.m. Friday at the home of Hugh Hairston, 901 Main street, Venice. All board members are

urged to attend. The Rev. Edward Jennings is branch president.

WARNING!

WE DON'T HAVE ANY GOOD PAINT FOR \$2.98 A GALLON. NEITHER DOES ANYBODY ELSE.

IT CANNOT BE DID.

You may find some so-called paint in these parts for \$2.98. Is it any good? Friend, can you buy a good horse for \$35? A good funeral for \$69? A suit of clothes for \$9? You can't because these things can't be produced at half price or less. Neither can good paint. It cannot be did.

We sell Jewel Colorizer Paint . . . only after 100 chemists have perfected it, tried it and tested it under all conditions. Jewel Colorizer latex and oil-base wall paints and house paints are "Laboratory and Use Tested," and accepted by McCall's magazine.

We price our paint at what it's worth. So do the jaspers selling paint at \$2.98. Discover the difference . . . buy Jewel Colorizer Paint and see.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

MONDAY, APRIL 25, 1888

Miss Pauline Keenher of Granite City had a short story published in the literary supplement of the Linden Park, a newspaper published at Lindenwood College. The short story is entitled "Just One Night" and treats of a small boy of the slums who is moved to a home of wealth. The story was selected by an English teacher for his high merit.

Joe Brennan will go to Champaign April 29-30 to take part in the state speech contest. He is the only Community high school student eligible to compete. He will give "Mansions," the original oration that carried him to first place in Carbondale on April 9.

The national contest will be held in Wooster, O., May 2-6. Three boys from Granite City have earned the right to take part in national contests—Keneth Fijan, Elmer Hammerman and Brennan. Randall Johnson was elected a senator to the NFL congress to be held in Wooster at the same time.

In the Carbondale contest, Brennan, Hammerman, Gregor Sisto and Brennan received fourth place.

The Lenten meeting of the Dorcas Circle of Niederrhein Memorial Church was held Thursday evening, Mrs. Gerald Broadway was the hostess. Entertainment in her home on Benton street, Mrs. Walter Gitten gave the lesson from a study book.

Mrs. Henry Thies was hostess to her pinocchio club Friday afternoon. The guests were seated at two tables. Those who enjoyed and received favors were the hostess, who was first, Mrs. W. E. Murray, second, and Mrs. May Hilten, third. The consolation prize.

Miss Elizabeth Marshall gave a party for her bridge club Thursday evening, Mrs. David Thomas was a guest.

Miss Margaret Johnson held the high score, Mrs. Elmer Jackson was second and Mrs. Margaret Johnson was third.

Oliver Davis, Lorraine Simon and Lorraine Simon will perform next weekend at the state music festival in Champaign. They will represent Granite City high school.

The Jolly Pinocchio club met Friday with Mrs. R. O. Abel. The following excellent and received prizes: Mrs. John Hutton, Mrs. Elmer Ross, Mrs. Gale Warfield and Mrs. Harmon.

TWO OLD CEMETERIES SHOULD BE IMPROVED

To the Editor:

Another summer has gone by and nothing has been done to clean up the disgraceful situation of the two condemned cemeteries in the East Granite area.

Someone hired a man to spray and kill the weeds. I witnessed this, and if the city ever got it set. And, without similar initiative, it's very unlikely we would be looking forward to this great profit.

Also, local children setting fires and needing burning. Our first department on numerous occasions could be added to the city expense, not to mention mosquitoes, etc., breeding there.

Some say relatives of certain deceased refuse to allow the removal of the old cemetery and the new memorial park replacing this desecrated place. If they are interested, they could find time to come out and have a look at this desecrated spot for their loved ones. In cemeteries today, graves are unattended unless marked by a monument; why can't this hold for a memorial park?

This blighted area is a disgrace to our bragging and efforts in more exclusive areas here. If this were moved to the park district near the lake, the homes, heads would roll fast unless action was taken.

Fire, fifth and neglect are your jobs. Though weeds overgrown induce fines on residents, anything goes around the lake, importance don't have to look at this, I know, but our humble neighborhood likes cleanliness and beauty, too.

LIFELONG RESIDENT

DONATE FUNDS TO BEGIN ESTABLISHING LAKE PARK

To the Editor:

Arriving by Horseshoe Lake this Sunday, I was surprised at the crowd or so of motorists buzzing around the lake, many with water skiers in tow in spite of the cold water.

Automobiles were lined up on both sides of the lake road, and you had to thread your way through the rail crossing at the opposite end.

The lake seemed to be in excellent condition for boating. The weeds were gone, and it was apparently deep enough to satisfy the skiers. It seemed obvious that the lake could fill a great need in the area for boating facilities.

For the good work done in helping SIU get started with its

SALARIES TO ALDERMEN FROM SEVERAL SOURCES

To the Editor:

Why do voters of Granite City elect city officials that draw pay from as many as three different sources? The majority of the aldermen are either in business or employed by local industries, yet some seem to be in business and employed in industry.

How do they hope to serve the people and help the city prosper? Eight hours in industry, eight hours serving in private business, seven hours in the city and two hours to and from work. They pass a city ordinance and two hours to and from work. They pass a city ordinance and two hours to and from work. They pass a city ordinance and two hours to and from work.

Commission On State Tax Revision Should Try Again

Despite the two years of study that went into it, the report of the Illinois Revenue Study Commission is hardly likely to rally the support that would be necessary to put its recommendations into practice. Only eight of the 15 commissioners themselves thought enough of the report to vote for it.

Since the two-thirds majority required in both the House and Senate—plus statewide voter approval—to amend the Revenue Article of the state constitution, it seems apparent that this group, or some other body, should start over and try once more to reach a solution.

Only five of the principal features of the proposal were adopted without dissenting votes. They were: provision for a local privilege tax on motor vehicles, boats and aircraft; tax exemption for charitable organizations; provision for municipal taxes; provision for the General Assembly to distribute part of the proceeds of state taxes to local governmental agencies; and deletion of 5% for elementary and secondary school districts and 8% for unit school districts, with raises to 6% and 10% if personal property taxes are abolished.

A 10-5 commission vote was recorded on a flat-rate income tax of up to 3%. Only those expenses incurred in producing income could be exempted, and exemptions could not exceed those permitted by the federal government in its income tax. Tangible and intangible personal property tax, abatement of intangible property tax within four years, but an earlier plan to halt the sales taxes on food was dropped.

Other recommendations receiving divided votes were: a ban on a graduated income tax; provision for classification of intangible personal property and for abolition of such a tax upon General Assembly approval; abolition of the personal property tax; alternate limiting state a percentage not greater than that on real property; and classification of real estate so that taxation could vary up to a 3-1 ratio based on the use of property.

In view of strong doubts about the income tax, and in view of disagreement over the fairness of classifying taxable property, there is little expectation that the revision will be carried out. Because widespread backing would be necessary, a plan should be developed that will be easier to defend and support.

Our idea of a plutocrat is one who has broken fast in bed.

Revenues' Ganging Up On Us Taxpayers

Is there no place to hide? Apparently not, if one is referring to his financial relations with the various strata of government.

We don't know whether "Gimbel's" tells Macy's its secrets, but the U. S. Internal Revenue Service is continuing to sign up more states for a regular exchange of federal and state information on taxpayers. The Illinois Department of Revenue is the latest to conclude such a cooperative agreement—the 17th to do so.

Contributions Suggested As Way To Get Lpk Park Started

A Forum letter today proposes the same approach to a Horseshoe Lake park as was instrumental in establishing Soerenga Lake. The idea is to get contributions by individuals and groups for land acquisition.

Whether such an approach would be as successful is unknown, but there is no question that it would be a more effective way to get the Horseshoe Lake and Washington that there is strong public desire and need for the project. In the case of the university, this point was given due recognition by legislators and the people of Illinois, and the financial investment paid big dividends.

Time Running Out To Obtain Water Service At Eagle Park

With only five weeks remaining, 66% of Eagle Park Acres property owners still have not paid the deposit required for extension of water service to their neighborhood. Since no alternate plan has been advanced, it would be in the best interest of all each family participated, assuring that the water lines will be installed.

Many reasons have been cited why water service is needed, including the convenience factor, but two other points which simply cannot be ignored are the health and safety of Eagle Park Acres residents. Without the proposed lines, fire hazards are greatly increased, as indicated by the deaths of numerous children in house fires during the past few years. And there is no pure drinking water available, posing the constant threat of illness and epidemics.

Time is running out. Will the necessary \$23,885 be raised?

Unnecessary Hazard At West Pontoon Crossing

An auto moves forward onto a railroad crossing. Suddenly, red lights begin to flash and a gate lowers, blocking the car from leaving despite the approach of a fast-moving train.

A chilling experience? Yes, and one that occurs frequently on the West Pontoon crossing. Because of the width of the crossing, the timing of the warning signals and the length of the gate, it often happens that a motorist has to race to beat the gate before it strikes the top of his car. If there are several autos, the situation becomes most difficult and can force the following split-second decision: crash through the barrier or halt in the path of the train.

Not being authorities on the subject of crossing safety, we don't have an exact solution, but an earlier warning and a slower and shorter gate would seem to help. We would just as soon get our share of thrills and adventure in some other fashion.

Progress, Potential Pitfalls In Telephone Communications

Just as talk of a "hot line" between Washington and Moscow reaches a definite stage, Quad-Cityans have gotten into the act.

Worldwide telephone contact within seconds is in prospect for local residents, with West Germany and the United Kingdom, the United States, the North Atlantic, Canada, France and Italy, to be added in July, Italy and Switzerland during the fall, Australia next winter and Japan in 1964.

We note that a special sign will enable long-distance operators to overcome the language obstacle, but another problem comes to mind. What happens if a caller is expecting to talk to Germany and, when a one-digit error in dialing, hears nothing but a blizzard of Italian or French verbiage on the other end of the line?

Tag Days Will Add To Funds Available For Scholarships

"Tag days" are looked upon by many as somewhat of a nuisance. But if it is any consolation, contributions for tags to be distributed in early May will go to one of the worthwhile causes—the Granite City Scholarship Foundation.

Students participating will be doing so unselfishly, for the college scholarships are given out solely on the basis of intelligence, industriousness, leadership and need. Nobody, including the screening committee, needs to know in advance who will be added; the applications are marked by number rather than name during the committee's review.

The real beneficiary is the community itself. Ability to profit by advanced education is one of the most important keys to the economic advancement of a community. The Scholarship Foundation helps make the prospect of higher learning a reality for all.

Medical Factor Valid Point In Driver License Revocations

Loss of the right to drive an auto is a serious matter, but the overall need for protection of pedestrians and other motorists must prevail. For this reason, Illinois needs laws to set a minimum physical condition for issuance or retention of a driving license.

Rather than adopting arbitrary rules that could be unfair in specific cases, the legislation provides for individual decisions to be made by a medical board of review. While many elderly drivers are capable and should remain on the road, many others are not. The state has the right to halt operation of vehicles by those who are unsafe, before a tragic accident occurs.

Registration For Girl Scout Camp Under Way

Registrations now are being accepted from Quad-City Girl Scouts for the camp sessions at Pere Marquette State Park this summer.

The established camp will be at Camp Okanaga and the two-day sessions will be July 6-8 and July 13-15. The fee is \$35 for 12 days.

Girl Scouts 10 through 17 years, or those entering grades five through 12, are eligible to attend. The director will be Mrs. Richard Cysler.

Ends Recruit Training

Gary J. Lancaster, 18, son of Mr. and Mrs. L. J. Lancaster, 3801 Franklin avenue, completed nine weeks of basic training recently at the Naval Training Center, Great Lakes, Ill.

Contrast In Borders

Barbed wire and the Wall, West Berlin

which will be observed for the 40th consecutive year April 28-May 4.

Despite anti-American comments during the recent Canadian political campaign, a firm base of friendship between the two North American neighbors remains intact. Thirty-three "peace markers" installed by Kiwanis International are located along the undefended boundary line.

Contrast In Borders

In the views of the Communist wall separating West and East Berlin and the 2000-mile Canadian-U. S. border, the situation is most unfortunate. The border is a barrier to the free flow of goods and people, and it is a source of tension and conflict.

Contrast In Borders

The barbed wire and fortified wall in the photograph and the lonely stone border sentinel in the lower picture are being compared as a symbol of Canadian-U. S. Goodwill Week.

Your Governor Reports

by OTTO KERNER

We have done what we set out to do.

Illinois has come a long way since the days when the money in the General Revenue Fund was continually depleted until it had a \$13 million deficit when my administration came to Springfield in 1961. A working balance now has been restored in the fund.

Favors Budget Bureau

The completion of a budget is an arduous and difficult task. It also is a task which I believe can be done more efficiently and expertly. For this reason, I recommended in my State of the State address that a unit in the Executive Department be established along the lines of the federal Bureau of the Budget.

Such a unit would allow more continuous and detailed scrutiny of all operating agencies of government—not by the agency itself, but by an independent voice in the Executive Department.

Agreement generally on this score was reached not too long ago from a group of distinguished citizens participating in a University of Illinois study conference.

The group recommended that the Executive Department be provided with more effective means of discharging its responsibilities for the budgetary operations of the state of Illinois.

Morris-Doty Engagement

Another of the spring engagements announced is that of Miss Jeanette Mae Doty, a daughter of Mr. and Mrs. Ervin Doty, 2321 Edison Avenue, and Philip Morris, son of Mr. and Mrs. George W. Morris of Centralia, Ill.

The news was told to classmates and members of the faculty of Greenville College, Greenville, Ill., at the annual junior-senior banquet held at Le Chateau in St. Louis recently.

A June 1959 graduate of the Granite City high school, Miss Doty is majoring in elementary education at Greenville College. She is also a summer employee of the Granite City park recreational center.

LEAVING FOR VISIT IN ENGLAND
Mrs. A. N. (Addie) Dunn, 1928 Sixth Street, Madison, is to leave Friday for an indefinite stay with her son and daughter-in-law, A/2c and Mrs. Paul Dunn and two-month-old son, Paul Stephen jr., of Huntingdonshire, England. She will travel by jet to London and expects to be away at least five weeks.
Airman Dunn is stationed with the U.S. Air Force at Huntingdonshire.

MISS JEANETTE MAE DOTY, who will be married to Philip Morris, a son of Mr. and Mrs. George W. Morris of Centralia, Ill. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. Ervin Doty, 2321 Edison Avenue. Wedding plans are indefinite.

Federated Clubs Guest Day To Be Held On May 2nd

A musically narrated program called "Fun With Music" will be presented by Mrs. Oliver Duggins of St. Louis at the annual guest day luncheon of the four senior federated women's clubs of Granite City, the Ladies Coterie, Bay View Reading Club, Leche Literary and Namook Women's Club, Thursday, May 2, at Holiday Inn, Sunset Hills.

The program is one of a dozen in Mrs. Duggins' repertoire. She is a graduate of Northwestern University and a professional musician in the fields of radio, church, organ, and choral music, as well as popular music for entertainment.

Formerly assistant director of the Department of Applied Music at Walter Reed Hospital in Washington, D. C., she is now serving as director of youth at University Methodist Church, where she directs a 35-voice youth choir and three handbell choirs. She and her husband are both quite active in youth related programs.

HONOREE AT GOING AWAY PARTY
Mrs. Sherrie Beck, who has been employed at the First Granite City National Bank, was given a going-away dinner party Tuesday evening at the Rose Bowl by fellow employees. Her husband, Richard Beck, employed by the Cargill Co., here has been promoted to traffic manager for the company in Baton Rouge, La., and the family will leave May 16 for their new home.

Present were Misses Judy Purne, Betty Wyatt and Diane Kemper, and Miss Pat Eschewiler, Mrs. Adeline Summer and the honoree.

Mr. and Mrs. Beck and their son, David, have been residing at 2226 Lee Avenue.

Niedringhaus PTA Elects Officers

Officers for the ensuing year were elected Tuesday evening by the Niedringhaus school PTA.

The staff will include Mrs. Edwin Seibold, president; Mrs. Joe Kennedy, Mrs. Kenneth McGee and Mrs. Austin McClain, first, second and third vice-presidents; Mrs. Thomas Alsop, secretary; and Richard Allen, treasurer.

The meeting was opened by Gerald Bushue, school principal, with the PTA prayer, and the presentation of the colors by Cub Scouts of Den One. Mrs. Austin McClain is the Den Mother.

The program for the evening was given by Ted Davis, an engineer with McDonnell Aircraft Corp., who worked on the Mercury project. A film entitled "The Mercury Shot" was shown and there was a commentary on the work.

During the business discussion it was agreed to finance a trip to the St. Louis Police Circus for the school patrol boys Friday. Plans were made for the appreciation dinner for the school personnel June 6 and to contribute \$100 to the central library fund. Mrs. Lorene Reiske's sixth grade room and Mrs. Elizabeth Edwards' second grade room were winners of the attendance awards. Refreshments were served by the sixth grade mothers.

GCBS Student Council Head Reviews Activities

Bob Butler, student body president, has summarized the highlights and given his own personal feelings concerning the activities of the student council in this special. This serves as an important factor in the review of the week as state-wide Student Council Week.

By BOB BUTLER
Student Body President
Granite City Senior High
This week Granite City senior high school is celebrating Student Council Week. In one short month school will be out and this year's Student Council activities will be over. As president, it has been my extreme privilege to associate with a delightful group of people.

The Student Council members have enthusiastically contributed to the work of the council and provided sound, decisive leadership for our school. Miss Grace Sewing, who has been the advisor of Student Council since its inception at our school, has supervised the council motto.

These are just a few of the projects handled by the Granite City High School Student Council. We like to think of ourselves as an active, vital, important organization. But our activity, our vitality, our importance depends on the support of the entire student body, not just 70 people who are elected once a semester.

I am grateful for the opportunity to have worked with the Student Council. The people have been delightful; the work has been fascinating; the responsibility has been great. I would like to wish my successor, Pat Kincaid, the very best.

This image of an exclusive "club" is diametrically opposed to the true purpose of the Student Council. If it did not tear down the "for members only" image that it is so easily acquired, it is not moving its greatest responsibility. It forfeits its right for existence.

To promote better contact between the Student Council and the students, the representatives have been constantly urged to make prompt and complete reports on our activities each week to their home rooms. They have also been urged to solicit advice and suggestions from the students.

Furthermore, a new publicity committee has been established to help further our aims in this vital area. During Student Council Week members of our council are making reports to various civic organizations to establish a better relationship with the community as well.

The Student Council continued at Alton, and University school, 3:4; Gary Skinner, 3:4; Bill Vaichoff, 3:3; Sharon Vavra, 3:3.

MHS To Form New Girls Glee Club; 70 On Honor Roll

By Diana Fox
The Madison high school chorus under the direction of Mrs. Valerie Stevens will have a new girls glee club which will meet at the third hour next year.

The Future Homemakers of America, under the supervision of Miss Grace Drickson, home economics teacher, attended the annual district leadership training conference Monday night at Carle. About 30 students attended, leaving by bus at 3:15 p.m. and eating enroute.

Class officers and National Honor Society officers visited the Junior high school to answer questions of eighth graders who are registering for their fall term as freshmen. They were assisted by Wensel Brown, superintendent; Joshua Johnson, assistant superintendent; and Mr. Rich.

Seventy students were named to the scholastic honor roll. The students and their averages are: Seniors Stephanie Slawek, 3.8; Tina Signago, 3.9; Donna Dowthitt, 3.5; Judy Borth, 3.4; Diana Fox, 3.4; Jackie Mosley, 3.2; Ralph Ridout, 3.5; Gary Knepp, 3.2; Doris Ledbetter, 3.2; Penny Macras, 3.2; Donor Achon, 3.0; Terry Curry, 3.0; William Gathright, 3.0; Jerry Goelan, 3.0; Larry Lux, 3.0; Peggy Mayes, 3.0; Joyce Parsley, 3.0; Bernie Sabol, 3.0; Linda Stone, 3.0; and Tom Turner, 3.0.

Two Students At SIU In Teacher Training
Two Granite City students at Southern Illinois University, Carbondale, currently are engaged in teacher training, a requirement for a bachelor's degree in education.

They are Betty J. Grote, teacher at Alton, and Judith Marie Robertson, 3:4; Gary Skinner, 3:4; Bill Vaichoff, 3:3; Sharon Vavra, 3:3.

Arlette Alexander Named May Queen

Miss Arlette Alexander, daughter of Mr. and Mrs. Thomas Alexander, 5105 Rapp road, was elected May Queen at Granite City high school Tuesday morning.

Elected first attendant was Marilyn O'Neil, daughter of William O'Neil, 4703 Vincent avenue; and second attendant, Judy Stegmeyer, daughter of Mr. and Mrs. Ralph Stegmeyer, 1810 Spring avenue. All three girls are seniors.

The coronation will take place during the annual May Day program, staged by Junior and sophomore girls' physical education classes, at 8:15 p.m. May 9-10. A matinee for school children will be held the afternoon of May 8.

Miss Alexander, who is taking a college preparatory course, was the Snow Princess in the winter of 1962 at the YMCA. She was elected queen of the Teen Town King and Queen dance last Saturday night at the YMCA. She was captain of the cheerleaders and is a member of the Red Peppers, Chi Delta Chi and the Teen Town council.

Miss Stegmeyer, also taking a general course, was a majorette for three years, an officer of the cheerleaders, and a member of the Red Peppers, Chi Delta Chi and the Teen Town council.

Miss Stegmeyer, also taking a general course, was a majorette for three years, an officer of the cheerleaders, and a member of the Red Peppers, Chi Delta Chi and the Teen Town council.

The theme of the May Day is "Calendar Capers." The physical education classes will stage about 21 acts, dances or marches symbolic of a particular date on the calendar.

Miss Dorothy Mitchell is in charge of production, and Miss Colia Hutton is in charge of the physical education staff. Eugene Aissi, art department director, is to provide stage decorations. Rehearsals for the program are now underway.

Donna Teaney is general chairman. Other committee chairmen are Ruth Barney, costumes; Andrea Tharp, tickets; Noni Hobbs, continuity; Mickey Bulovich, music and dance; Terese Kline, programs; Judy White, stage and lighting; Judy Loftus, rehearsal and housing of students; Judy Schafer, cleanup; and Carol Lauer, publicity.

There will be no public sale of tickets. Persons wishing to obtain a ticket must do so through a girl participating in the program.

Spudich Wins National Merit Scholarship

John L. Spudich, a Granite City high school senior, has won a National Merit Scholarship sponsored by the Upjohn Co. It was announced today by the National Merit Scholarship Corp.

A total of 104 of the scholarships were granted in Illinois, and about 875 were granted throughout the nation. The scholarships, for four years, are valued from \$400 to \$5,000 for the four years of college, depending on the finances of the student's family in relation to the costs of the college he will attend.

Spudich, son of Mr. and Mrs. John L. Spudich, 3133 Jull avenue, intends to major in chemistry at the University of Illinois and plans a career as a research chemist.

The youth was successful in two competitive three-hour examinations covering English usage, social studies reading, natural sciences reading, mathematics usage and foreign language.

At GCBS, Spudich is president of the National Honor Society, is vice-president of the Science Club, was second place winner in the Illinois Agriculture Association essay contest, won a first proficiency award at the St. Louis Science Fair in 1962, is a member of the National Forensic League and won speech and debate contests in the 1961-62 school year.

At home, he performs experiments and dissections in a home laboratory.

Kroger Scholarships Offered For Colleges

Sixty-six Kroger scholarships of \$250 each for freshmen students in agriculture and home economics will be offered at land-grant colleges in 23 midwestern and southern states.

Students interested may apply directly to the college they wish to attend. Winners are selected by the scholarship committee at each college, and the school will notify winners by mail. Four such scholarships are available at the University of Illinois. The application deadline there is May 1.

Completes Marine Course

Marine Lance Corporal James A. Kaiser, son of Mrs. Mary Hediger of Granite City, was graduated recently from the personnel administration course at the Third Marine Division schools, Camp Hansen, Okinawa. The six-week course trains personnel in the administrative duties required at company and battery level commands.

JOHN SPUDICH, Granite City high school senior, has won a four-year National Merit Scholarship and plans to major in chemistry at the University of Illinois.

Apply Early For Summer At SWIU

"A stitch in time saves staining in line" is the revision of an old proverb made by John H. Schnabel, director of admissions at Southern Illinois University's Quad-City-Edwardsville campus.

He made the suggestion in reminding new and transfer students that now is the best time to apply for admission if they plan to enroll for classes at the campus this summer.

"I've seen a lot of disappointed students at registration time," he said, "who could have saved themselves a great deal of time and trouble if they had only applied for admission earlier."

Students should apply for the summer sessions with the admissions office at Edwardsville before June 1, Schnabel said, to permit all necessary processing of applications to be completed by the start of the session.

Applicants should have transcripts of all previous high school or college work mailed to SWIU's admissions office before July 10 by the schools attended.

General registration for new transfer students for the summer will be June 17, and classes begin the next day. Classes on the freshman and sophomore level will be offered for an 11-week quarter running from June 17-Aug. 31. Classes on the junior and senior level will be offered for an eight-week session from June 17-Aug. 9.

Students may enroll for classes in either the eight-week session or 11-week quarter, or a combination of both as long as they meet academic load requirements.

Lincoln HS Observes Student Council Week

The Lincoln high school student council initiated its observance of Student Council Week on Saturday with a theater party. Members and guests attended a matinee showing of "To Kill a Mockingbird" at a St. Louis theater and then dined at a St. Louis restaurant.

On Sunday, the council attended services as a group at the Refuge Church in Madison. The week's activities will end with the 20th annual convention of the Illinois Association of Student Councils in Chicago.

Amie Dumas and Lawrence Isaac are attending the convention as delegates. They are being accompanied by Miss Margarette Boothe, student council sponsor.

Pontoon Beach Trustees To Meet This Evening

The first official meeting of the board of trustees of the new village of Pontoon Beach is scheduled for 7:30 this evening at the Long Lake fire department hall.

Arrangements for the meeting place were made last week by a committee of trustees and committee of Long Lake Volunteer firemen, and Village President Thomas Stalcop said the hall will be passed to take up a collection to pay the evening's rental fee for the hall.

The board and the village have no funds, and are not expecting any funds for almost a year. Several benefit programs, such as a picnic or fish fry, are in the planning stage to get necessary money.

The trustees and officers are serving without pay, and Nemoiki township has agreed to continue this year the repair work on streets and roads.

Members of the board met two weeks ago at the Nemoiki town hall along Route 162 but were unable to transact official business because they were outside the jurisdiction of the village.

Appointment of a treasurer and village marshal was announced informally, and it was decided to postpone official action to a later date.

Initial ordinances also are to be submitted for adoption.

Seven New Street Lights Approved By GC Council

A resolution instructing Illinois Power Co. to install seven new street lights was approved Monday night by Granite City council members.

The lights are to be placed at the following locations: 2344 Lynch avenue, the 2100 block of Monroe street, 1920 Adams street, 2322 Cleveland blvd., 2431 Edison avenue, 2325 Woodlawn avenue and on 12th street at the alley between Edwardsville road and Meridian street.

Open House On Sunday

Mental Health Week Program Planned At Alton Hospital

The Mental Health Week observance at Alton State Hospital will begin with open house on Sunday from 1 to 4 p.m. and will continue with a series of daily activities lasting until Saturday, May 4.

The hospital slogan, "Face the Problem Together," emphasizes the state-wide aim to provide tours for people from communities at psychiatric institutions so they may become better acquainted with mental disorders and treatment areas will be featured for the open house. It will show the hospital as it appears during normal operation. Lectures, demonstrations, displays and additional tours will typify the week's remaining activities.

Refreshments will be served at three different sites. A. K. Smith, assistant superintendent, will be master of ceremonies.

Next Monday, Dr. John P. Bergmann, St. Louis psychiatrist and educational consultant to the hospital, and Miss Nancy Blise, acting chief nurse of the Illinois State Psychiatric Institute in Chicago, will be the featured speakers for Nurses' Day.

Included in the program will be a workshop, tours and a strict in charge of education at demonstration of remotivation. It begins at 12:30 and lasts until 4 p.m. Special invitations have been sent to area nursing

and high school students and other professional nurses.

Wednesday's Program

Lecturing Wednesday at the Institute on Psychiatry and Psychology will be Dr. Robert Delischmann, a St. Louis psychiatrist, and the Rev. Kenneth Sless, chaplain at St. Louis State Hospital. Convening at 9 a.m. in the recreation hall, the program also features discussions and tours.

Patients-volunteer day will be held next Thursday afternoon, with patients from nearly all wards being conducted through the recreation hall for views of assorted displays furnished by volunteers and community organizations. These include flower craft and keepsakes.

On Friday, May 3, there will be a regular meeting of Cahokia District's Illinois Welfare Association. The guest speaker will be Dr. Robert C. Drey, psychiatrist in charge of education at the Illinois State Psychiatric Institute in Chicago.

Moose Lodge To Install Officers On Sunday

An installation of officers of the Loyal Order of Moose 272 will be held Sunday at 2:30 p.m. at the Moose Hall.

Andrew Gasparovic Jr. will serve as installing officer with Oxyen Day as installing sergeant-at-arms.

Those taking office will be Harold Harris, governor; Milton Worthen Jr., junior past governor; John Noonan, junior governor; and selections by the club.

Tours by high school or above-level students desiring to view specific areas in the hospital will be arranged by the hospital's social service department.

GREAT DAY

FOR GETTING THINGS DONE BY PHONE

So maybe the rain is coming down in sheets. Lightning flashing. Thunder booming.

No matter how wretched the weather, you can keep right on using your telephone. Some years ago, bad weather might have affected your telephone service. Today, things are different.

Most telephone cables are now filled with pressurized dry air. If a cable springs a leak,

the force of the escaping dry air holds out moisture and keeps phones working. An alarm automatically tells repairmen the location of the break. Usually, the trouble is fixed and you never know anything was wrong.

So go ahead and use your phone when the sky opens up and the rain comes down. Pressurized telephone cables to give you storm-proof dependability is another improvement made with you in mind. Our never-ending goal is to improve your telephone service and make it more valuable to you.

Sailor, Ship Visit Japanese Port City

R.M. John W. Ritchie, son of Mr. and Mrs. Charles Ritchie, 3028 Wayne avenue, who is aboard the U.S.S. Frank Knox, recently was on a goodwill visit to the port city of Ueno-Tamano in Okayama prefecture of Japan. The Knox is the first U. S. Navy ship to call at Ueno since 1960 and the second since 1945. Leading citizens and city officials toured the vessel and were entertained by the ship's combo and movies. A baseball game was played between the ship's team and one from a ship-building company. Thirty members of the crew donated blood to the Okayama branch of the Red Cross, for which the ship received a citation. More than 3500 persons visited the ship, which is based at Yokosuka, Japan.

Amendment To Ill. Medical Act Is Proposed In House

(Special from Springfield)

Amendment of the Illinois Medical Act to provide the state in exercising its discretion to issue a license to practice medicine without an examination may take into account the quality of medical education and clinical training of an applicant. The bill is under consideration in the House.

Co-sponsored by Reps. Ralph T. Smith (R-Alton) and Allen T. Lucas (D-Springfield), the proposal provides the State Registration Department may consider and evaluate each applicant on an individual basis, taking into consideration the extent to which there is available to the department such information concerning the applicant. Identical bills have been presented in the House and Senate relative to amendment of the motor carrier property act to make the act inapplicable to motor vehicles used exclusively for the towing or pushing of disabled or damaged vehicles. The House bill was offered by Rep. Smith.

Another bill would require physicians to report patients' disabilities which would impair him in driving a motor vehicle; while an amendment to the motor vehicle law has been proposed to require licensing by the state of professional driver training school operators. It is proposed in a bill to amend traffic regulations that semaphores stop signs on school buses shall not be extended until the vehicle has come to a complete stop when loading or unloading school children.

Among other bills now before the legislature is one to prohibit the sale of birth control contraceptives from coin-operated machines; and another would provide that insurance policies under which a loss has been incurred prior to expiration of the policy shall not be canceled prior to expiration date except where fraud was committed in obtaining the policy.

Rep. Smith is co-sponsor on two bills—one to create a Commission on Education to study

the quality of education in state-supported schools of higher learning and the other to direct the Illinois School Problems Commission to study financial structures of school districts. The bill creating the new commission carries an appropriation of \$75,000 for administration purposes.

Annual Sessions
Rep. Smith also is sponsor of a proposal to amend the state constitution to provide for annual sessions of the General Assembly. It would require two-thirds approval of each house before submission to the electorate at the 1964 November general elections. Sessions in even-numbered years would be devoted to legislation dealing with spending and revenue.

Another proposal for amendment of the state constitution is being offered by Rep. Leland Kennedy (D-Alton) to provide six-year terms for state senators and four-year terms for representatives. A bill by Rep. Scariano (D-Park Forest) would raise salaries of state senators from \$5000 to \$9000 subject to approval of annual sessions.

The House executive committee has approved a bill to create a State Crime Commission. This bill already passed the Senate. The Commission would consist of four members from each house and four who would be appointed by the governor. Another bill would amend the unemployment compensation act to include the state and any wholly-owned instrumentality of the state under the act as an "employing agent."

Rep. Smith is a co-sponsor of a bill for regulation and licensing of psychologists by the state Department of Registration. The Senate has passed a bill which allows truckers to pay their annual license fee in semi-annual installments. The bill is on the governor's desk.

Eight PTA Delegates Attending Convention
A number of delegates, representing the various PTA here, are in Chicago to attend the 81st annual convention of the Illinois Congress of Parents and Teachers which began today and will continue through Saturday.

The local people are Homer Johnson, incoming president of the Area PTA Council; Mrs. Lela Runick and Mrs. Lucille Cavans from Lake school; Chester Sawicki, Marshall school; Joe Ksela and Mrs. Martha Bewley, Frohardt; Mrs. Evelyn Cross and Mrs. Carol Mire, N. A. M. O. K. school.

Mrs. G. D. Collins, Aurora, will preside at the meetings and will address the delegates at the opening session on the theme "Quest for Quality." The Parent-Teacher Chorus of more than 500 voices from all areas of the state will present a program of music under the direction of Alan LeClair this evening. The closing meeting of the three-day session will be a banquet on Saturday evening when Dr. Andrew Davis Holt of Knoxville, Tenn., will speak on "Caleb Plows The New Ground."

Closing Evangelistic Services Sunday
The closing meeting of a series of evangelistic services will be held at 7:30 p.m. Sunday at the Bellemore Assembly of God, 2033 Johnson road.

The services are in charge of Rev. Bill Sharp, who has published a book on "Christianity and Communism." Rev. Sharp also has lectured on the same topic in colleges and high schools, including Lions, Rotary, Kiwanis and other civic organizations. Rev. Sharp served in the Marine Corps on the front lines in Korea and has been a presidential aide in Washington, D.C. Rev. Henry Greenwald is pastor of the Bellemore Church.

Sternberg Low Bidder On Park Sewer Job

G. H. Sternberg & Co. was the apparent low bidder by a margin of \$150 for the construction of an eight-inch sewer line to serve new rest room facilities being constructed near the baseball diamonds in Wilson Park by the Granite City park district.

Sternberg's bid was \$2417. General Contracting Co. bid \$2418.50 and A. H. Seibold Co. \$2484. Bids were opened by park commissioners during a special meeting Monday afternoon.

The commission also authorized the purchase of 300 feet of 48-inch high chain link fencing complete with gates and posts to be installed by the contractor at baseball diamonds three and four in Wilson Park. Amco Fence Co. of St. Louis received the \$760 contract.

Morgan, Park Conference Speakers

The Quad-City area will be represented at the Governor's Conference on Youth May 9-10 in Chicago by Mrs. Louise B. Parker of the Illinois Youth Commission and David Morgan, Granite City Housing Authority executive director.

The two will speak on "Opening the Doors of Home" during a study of "Helping Families Help Youth" on the opening afternoon of the meeting. The 32nd annual conference, is to be conducted by the IYC Division of Community Services. General theme will be "Teen Codes and Teen Culture."

Stolen Trees Found
Twelve fruit trees and two bushes of tomato plants, discovered by John Goeffert behind his garage at 1117 Iowa street at 5:30 p.m. Monday, proved to have been taken from the nearby Schermer Brothers Market. Goeffert notified police, who arranged for the items to be picked up by the firm.

Granite City PRESS-RECORD Loading Zone Ok'd At 20th And Adams Sts.

The loading zone at Yelton Supply Co. (plumbing supply firm), 20th and Adams street, is to be changed to Adams street from 20th street, it was reported at Monday night's council session.

Congestion on 20th street, which carries U. S. Highway 67A through Granite City, and blockages caused by the nearby multiple-track rail crossing were given as the reason for the switch by Vincent Bischof, manager.

The request met with council approval. The firm is to install a sidewalk along the west side of Adams street from 20th street for a distance of 84 feet. In return the city is to post a loading zone along the west side of Adams street north from 20th street for a distance of 144 feet. Bischof pointed out in his letter that individuals have been parking along Adams street all day. They catch buses at 20th and Adams streets.

Kindergarten Pupils Registration Sunday

Parents of pupils who will enter Sacred Heart kindergarten classes next fall at the Jorden avenue school and the St. Clair avenue annex are being reminded to register the youngsters following the 8 a.m. Mass and all other Masses on Sunday.

The registration, which also is for any other new pupils in the two schools, will be conducted again next Wednesday, May 1, from 3 to 5:30 p.m. at the Jorden avenue school.

Kindergarten pupils must be registered on either of the school days, school authorities said, and the registration must be in person.

Ex-City Atty. Hired To Handle GC Lawsuit

Former City Atty. John Gilchiff was hired by the city Monday night to handle a lawsuit in which seven plaintiffs are seeking a total of \$12,500 from the city because of sewer water backup damage to their homes in the past several years.

City Atty. George Piffaff, Jr. submitted the request to the council pointing out he was totally unfamiliar with the case and that it was set for the May term in the circuit court at Edwardsville.

An objection was raised by Alderman Donald Partney, who pointed out the city had no way of knowing what the attorneys fees would be and that it could amount to several hundred dollars. "This is a sorry situation," Partney remarked. Gilchiff agreed it could cost that much, but pointed out the importance of the case. "Gilchiff has all the data on the case," he added.

Voting for Gilchiff to handle the case were Walter Norn, Rufus LeMaster, Charles Meyer, Edill Schmitt, Samuel Whitmer, Steve Basarich, Samuel Shaeffer, Frank Vesel and Edmund Bartosik. Opposing him were Partney, Paul Fritzel, Mrs. Gabrielle Betine and Fost Johnson.
